## SUPPORTERS' CLUB NOTES

It has been suggested that the Supporters' Club should organise a Coach Trip to Sidmouth on April 30th, when Albion are playing an evening game there. Will those who would like this trip to be run, please contact any of the Supporters' Club Committee and give in their names, so that we shall know if there are sufficient numbers to warrant a coach being booked. The Sidmouth Supporters' Club have arranged a dance after the game and hope to have a grand get-together with us to wind up the season. So if you would like to go, please let us know quickly, so that we can go ahead with the necessary arrangements.

We hope that all supporters will give the team the utmost encouragement to-day. They always put up a good show against the best opposition, so lets show them that we are really behind them and so help them to pull out that little extra that makes all the difference.

## LADIES' SUPPORTERS' COMMITTEE NOTES

The Ladies' Supporters' Club are running a day trip to Land's End on 14th June, and we would be glad to know what seats are required, as all meals have to be booked before that date. We run all "chara" and other activities with an aim to raise funds for Albion, so may we expect better support in future from those we are trying to help. We are, jointly with the Men's Supporters' Club, running a river trip, and also two evening coach trips; full details from any of the Committee, and deposits on all trips willingly taken.

The Ladies run a Whist Drive at 2.30 p.m. every Wednesday to raise funds for the Stand. Again we would welcome support from those able to attend. We run our usual Friday Evening Whist at Beacon Park at 7 p.m. Also teas are served in the Ladies' Room after all matches, and members, friends and visitors are welcomed.
