CLUB NOTES.

As these are the first programme notes of the season, we offer greetings to all our supporters, and hope that they will see good open and attractive football throughout the season.

At any rate we are starting with a very attractive match today. Welcome to our friends from Cardiff! This match is always the big attraction of the season, and we hope today to see a real tussle. By results of matches already played Cardiff appears to have a team well above the high standard usually achieved. Still Coventry always has a habit of playing to the occasion, so let's hope—.

We welcome to the club several new members, among them Brian Edwards and Derek Ashcroft, who played for the 1st. XV. against Moseley last week, and Derek Quant who turned out for the Extras after an exciting journey from Aldershot. All gave a good account of themselves, and we wish them a happy stay with the club. Other new members we know will soon be showing their worth.

We offer our sympathy to three on the injured list -- Dick Hollick,

CLUB NOTES (continued)

Les Morris and John Baugh – not a promising start to the season.

Incidentally, Ivor Preece is Captain of the Extra's this season and the team should reap great benefit from his experience and advice.

The Supporters Club is again in full swing and old members are asked to rejoin, and a hearty welcome is extended to new members. Some of the work of the club last season comprised of the gift of a Rowing Machine to assist in training, Plaques were presented to the School's Shield Finalists, C. Dupenois received a gift to comfort him in far-off Trinidad, and Team Sheets were introduced at Extra 1st. games. Today Stewarding is undertaken by the supporters' Club.

This season there are more plans to help the Coventry Club and local rugger. These can only be carried out if we get YOUR support, so come along and join. It costs 2/6d. and for this you get a metal badge of Membership.

The first outing of the season is to Cambridge on November 1st. If any supporter would like to go, please contact the Secretary, Mr. Prestcott, at the office after the game.
