## CALLING ALL SUPPORTERS

---

The visit of the Cardiff XV to St. Ives has been eagerly awaited, and we have pleasure in extending to them a warm welcome. Included in to-day's team are the well-known players Cliff Morgan, Hadyn Morris, Bleddyn Williams, Gareth Griffiths and G. Beckingham and a fine exhibition of open rugby is anticipated from these players. We are confident that St. Ives will rise to the occasion and give the visitors a good game.

In the last match of the Easter programme on Tuesday evening, St. Ives gained another fine win by defeating the Barclays Bank XV by 14 points to 3. With several reserve players included in the side, the whole team played well, and were ably led by Harold Stevens who scored 11 points of the 14. W. Toman played a grand game at outside-half and T. Farrell excelled in attack as well as in defence, J. Thomas playing in the unaccustomed position of full-back, created a good impression and his tackling and touch-finding earned him well deserved applause. Outstanding among the forwards were E. Jenkyn, G. Bailey, P. Woolcock and J. Passmore.

After the St. Ives v Cardiff game, come along to the Palais de Danse, where the Supporters' Club are holding their Annual Ball. Admission is 5/- and there is a Licensed Bar. Dancing from 8 p.m. to 1 a.m., but no admission after 10 p.m.
