To Cardiff, Bective Rangers extend a cead
mîle fáilte !

Pre-eminent in the world of rugby, as
opponents sought after yet feared by all sides,
Cardiff have a record without parallel in the
game. Conquerors of the strongest selections
of the strongest international and touring
teams, Cardiff as a club is dominant throughout
the world. Bective Rangers are proud to hold
place in Cardiff's distinguished fixture list.

The team to-day is in caste with its club's
traditions, skilled, determined and successful.
Bective Rangers hope to prove worthy
opponents.

We of Bective Rangers have experienced
in Cardiff those talents which find no place in
a club's record, hospitality and good fellowship
in the highest degree. In the exercise of these
talents we are determined to prove worthy
hosts.

Cardiff, you are welcome !
