## TO-DAY'S MATCH

By THE EDITOR.

The two teams of the Cardiff and Swansea Clubs meet for the first time at St. Helen's and the Arms Park today. The Senior sides meet at St. Helen's and the Athletic XV's at the Arms Park.

Cardiff Athletic lost to Newport United last Saturday, but are going to make a determined bid for the honours today. Both sides contain many players who have appeared in the Senior sides and it should be a first class game.
