"The Battle of the Unbeatens!"

By THE EDITOR.

Today's match promises to be a grand one, for both Cardiff Athletic and the visiting Senghenydd side are unbeaten. They will do battle and it can be guaranteed, do their best to stay invincible.

Last season Newport United remained undefeated with a magnificent record. It would prove a great tonic to the club if Stan Bowes and the "Rags" should emulate their feat.

One supporter wrote to me this week with the following comment: "Wouldn't it be a great day on October 7 if Cardiff's two teams met Newport's two teams, and all four were undefeated!"

Well, it could happen! What a day!

The "Rags", as the Athletic are called by every Cardiff player and official, have a stalwart leader in Stan Bowes, who has guided them through so far without defeat. Many of the players with him are knocking at the door of the 1st XV dressing room. They look a real side now and are well worth watching.

Llewellyn at full back, Harvey in the centre, Marks at scrum half, Buckthought, Davies and Williams in the pack, are all new men playing well. Today several "Rags" regulars are away with the 1st XV in the Midlands, but the side will be all out from start to finish!
