MESSAGE FROM HIS WORSHIP THE MAYOR OF THE CITY OF PORT ELIZABETH, COUNCILLOR H. J. D. TOERIEN

The City of Port Elizabeth is very happy to welcome the Cardiff Rugby Football Touring Team. One of the national Welsh attributes which we particularly admire is their gift of song. We must admit that if the Cardiff Rugby Team play rugby to equal their singing, then we shall have to look to our laurels if we are to hold our own against the team on the rugby field.

The match against Eastern Province should be a fine one and although quite naturally we are somewhat partisan in our hopes that our team will win, we wish both sides the best of good fortune for the game.

We hope our visitors will enjoy their stay with us in South Africa. We certainly are happy to have them with us and know that they will take back with them to their homeland many pleasant recollections of the Republic of South Africa and its people.

MESSAGE FROM MR. CHRIS HATTINGH, PRESIDENT OF THE EASTERN PROVINCE RUGBY UNION

On behalf of my Union it gives me great pleasure to welcome to Port Elizabeth Mr. L. Williams, the Manager, Mr. Billy Hullin, the captain and the Cardiff Rugby Team.

Cardiff to us is almost synonymous to Wales, with the result that we are very conscious of the rugby strength of your touring team, which includes many famous international players. Cardiff is a great name wherever rugby is played.

We are all keenly looking forward to a great game to-day, which I am confident is going to produce rugby of a very high standard. May the better team win.

I hope that your short stay in Port Elizabeth will be a very happy and pleasant one, and that your team will take back with them, when they return home many happy memories of our city and its people.
