ABERTILLERY

Abertillery v. Cardiff

To-day we pay tribute to those gallant men who lost their lives in the Six Bells Colliery disaster, a tragedy which shocked the nation and which devastated our mining-town.

Among those who lost their lives were many of our most loyal supporters and we have greatly missed their company.

When Councillor S. T. Butler, J.P., Chairman of the Council, kindly granted us the use of the Park, we approached the Cardiff Club to enquire if they would play us for the benefit of the dependents, and Cardiff unhesitatingly agreed to do so, and moreover, offered to pay all their expenses. This is a gesture which was appreciated by the town and we would like to take this opportunity of thanking the Cardiff Club for their kindness and also congratulate them upon their great record this year.

We look forward to today's game in the knowledge that both sides will play open football and dispel some of the gloomy statements at present being made in the Press concerning the quality of the game in Wales at present.

We would like to express our thanks again to Geoffrey Davies, of Ebbw Vale, for the manner in which he has come to our assistance.

In view of the fact that the Abertillery & Ebbw Vale v. South Africa and the Wales v. South Africa games take place during the same week, the Secretary would appreciate if members would please send in their applications for tickets for those games **NOW**.

To-morrow night Abertillery play at BLAINA. Kick-off at 5.45 p.m.

Next Home match—BRIDGEND, October 1st.
