CLUB NOTES

It has only been on rare occasions in recent years that our Saturday supporters have been able to enjoy seeing Cardiff in action, so it is all the more pleasing to extend to them a warm welcome today and hope it will now be possible to make their Saturday visit a permanent annual one.

To date, Cardiff have an unbeaten record, not always to be envied, but what we admire most about this remarkable Club is their particularly high standard of play, which, whether winning or losing is invariably open and attractive Rugby.

Without question their policy has been justified for they have been the outstanding Club side in the British Isles since the War, a remarkable achievement over many so years and a tribute to the many famous players who have represented them.

A Combined East Midlands' and Leicestershire XV will play the Australian Touring Team at Leicester on 21st December, 1957, and seats which can be reserved in advance are as follows :

Tickets 10/- each in centre of Covered Stand

Tickets 8/- each in wings of Covered Stand

Tickets are now ready and applications should be made with remittance direct to : The Secretary, Leicestershire Rugby Football Club, Welford Road, Leicester.

Tickets will be allocated as applications are received, so it is advisable to apply as early as possible to avoid disappointment.
