WELSH YOUTH RUGBY UNION CHALLENGE CUP FINAL

British Gas Wales is pleased to be associated once again with the Welsh Youth Rugby Union and the Challenge Cup Final in the magnificent setting of the National Stadium at Cardiff Arms Park.

Our support for Rugby in Wales has covered the whole spectrum, from development levels events for schools involving some of our country's leading players - to sponsorship of Wales v. England Internationals.

In these challenging times for Welsh Rugby, we look to our young players for evidence of emerging quality and talent which will restore and maintain our fortunes on the field. The W.Y.R.U. challenge Cup Competition is a vital part of the Youth development system and brings out the best in our young teams and individuals.

We hope our support will help make the 1995 final a memorable event for players and spectators..

Greetings from the Chairman

Congratulations to Cardiff and Pontypool Youth on reaching the National Knockout Final after several strenuous keenly contested games.

I am sure that players from both teams will always remember playing on our National Ground. It is not beyond the bounds of possibility that several players on show could be selected to represent Wales at a more senior level in the not too distant future.

Records show that this is the eighth occasion that Cardiff Youth have taken part in the final, winning the cup six times. This is the second appearance of Pontypool Youth being runners up in 1978.

Weather conditions have been even more horrendous than last season and again I thank all clubs who participated for readily co-operating with Roger Thomas and the competition committee in agreeing to alternative dates and venues which enabled the competition to be completed on time.

It is with great pleasure on behalf of the Welsh Youth Rugby Union that I thank the following:- The Welsh Rugby Union for the use of the National Stadium's superb facilities, The North Monmouthshire Youth Committee for undertaking the supervision of the event, The Districts Referee' secretaries for their co-operation in appointing referees to all the cup games.

I convey special thanks to British Gas Wales for sponsoring the National Knockout Challenge Cup Final for the third consecutive year.

In conclusion I wish all the players success on and off the field and hope that you thoroughly enjoy tonight's game.

Dr. Ken Jones
