CLUB NOTES

For our last Home Fixture of this season, at the Recreation Ground, we have as our guests the Cardiff R.F.C. The strongest opposition to visit the Ground this season. We know, by past experience, of the calibre and standard of their rugby—and expect to see a good game tonight.

After the match, we shall be organising a Grand Dance, in honour of the Visitors at the Princess Pavilion. Dancing from 8 p.m. / 1 a.m. Admission 4/-, Forces (in uniform) 2/6.

On Saturday, our Club starts on its first tour of the Midlands. Matches will be played against Cheltenham, Western-Super-Mare and Sidmouth. We would wish all travelling the best of luck—and hope that they will bring credit to Cornish Rugby.
