CROESO I'R CAERDYDD

As I wrote when we played Llanelli on 29th November 1975 I hope that at the end of the game today everyone involved, whether spectators, officials or players, will be able to say that we saw or played in a very good game of rugby football. To Cardiff I extend a very warm welcome to the Aber Valley. As most of you will know many

of our players have 'graduated' to the famous Blue and Blacks and because of this and many other links we consider we have a very special affinity with them.

A Gem From The Senghenydd Past

Cardiff's First XV appeared at Senghenydd during April 1921 to play the local side in aid of the Village War Memorial Fund. Cardiff were captained by Clem Lewis while Gwyn Nicholls refereed. Seats inside the ropes were 2/6 and outside standing was 2/-. Result: Senghenydd 5 pts - Cardiff 14 pts. A goodly sum was realised for this worthy cause.
