Welcome

On behalf of the East District Rugby Union I would like to extend a very warm welcome to everyone attending our cup finals here at the world famous Cardiff Arms Park. This is the first time that we've held the senior & youth finals at the same time on this iconic ground so let's hope that the weather plays its part in what I'm sure will be a memorable occasion.

I would like to extend a particularly robust District welcome to our sponsors who are able to join us today; first of all Chris Brain who as well as again leading the representation of SA Brain & Co Ltd is also Patron of our District. We're also very pleased that joining Chris once again as a Brains representative is his son Charles who is also a District Vice Patron. Brains have been sponsoring the Mallett Cup since 1976 so it is particularly appropriate that they are here on the occasion of the 125th anniversary of this renowned competition, the oldest cup tournament still being contested in Wales and one of the oldest in the UK.

We are also delighted to again have the long time sponsor of our Ninian Stuart Cup with us – Richard Kemble of Richard Kemble Contracts, who is also a Vice Patron of the District. Richard has been sponsoring the Ninian Stuart Cup since 1999 so we also have a 20 year anniversary to celebrate for that competition, which was first contested in 1910 having been donated by Lord Ninian Crichton Stuart, who was subsequently tragically killed during World War One.

Richard has been an ardent supporter of community rugby in our District for many years as his long time association with Canton RFC also shows; it's great to have him, Chris & Charles with us again witnessing the finals of the competitions that they have contributed so much to over so many years.

I'm also delighted that the WRU President Denis Gethin is able to join us for today's games – he has always been a great supporter of our District and I'm sure he'll enjoy the occasion.

Finally, congratulations to all the clubs who have reached these finals and to the officials who have been appointed to oversee the matches - I hope everyone enjoys the occasion at this most iconic of rugby venues and let's hope we see some terrific rugby.

Noel Davies.
Chairman
East District Rugby Union.

The Origin of the Mallett Cup

A hundred and twenty five years is a long time in rugby and we in Cardiff can be proud of the fact that that the Mallett Cup is the oldest still being contested in Wales. But who was it named after? Who was “T H Mallett”?

Thomas Henry Mallet was born in 1840 at Appledore in Devon. A carpenter by trade, he came to Cardiff in 1875 to work as a foreman in a railway wagon works. He was keen on sport throughout his life and took an active interest in athletics, cricket and baseball. But rugby was his greatest love. When he later became the licensee of the New Market Tavern in 1891, it was said that he was the oldest non-playing member of Cardiff Rugby Club. Quick to recognise the pub's potential, he invited players and supporters to frequent the “Home of Athletes”, which he announced was only a minute's walk from the Arms Park and five from Sophia Gardens. He even laid on hot and cold baths for players to use after a game.

So, as it was a popular venue for rugby followers, it was the New Market Tavern which, in November 1892, hosted delegates from sixteen local clubs who met to form the “Cardiff and District Football Union”. Because of his support for the game in Cardiff, Tom was elected the District's first President.

Not long after this important meeting, he took over the licence of the Blue Bell (today's Goat Major) and it was there, in November 1893, that he presented the District with the magnificent silver cup which still bears Tom Mallett's name. It cost him £21. This was a considerable sum, which would be worth well in excess of £2,000 in purchasing power today. But it was a smart move on Tom's part because the District transferred their headquarters to the Blue Bell.

Fifteen clubs competed in the first Mallett Cup of 1893-4. Those still in existence are Cardiff, Barry, Canton, Llandaff, Pentyrch and Whitchurch. The other (long defunct) Mallett Cup pioneers were: Blackweir, Cardiff Hornets, Cardiff Northern, Cardiff Star, Cathays, Garth, Grangetown, Grange Stars and Splott Crusaders.

The competition was an immediate success with the public. For instance, when Cardiff Reserves met Llandaff in the first round, more than 2,000 spectators turned up to the Arms Park to watch. Over a thousand supporters were at the Harlequins Ground for the final held on 14th April 1894 and played between Cardiff Reserves and Canton. It was a closely fought contest which Cardiff were a little fortunate to win by 8 points to nil. They were helped by the presence of a young Gwyn Nicholls in the centre. He of course captained Wales to victory over New Zealand in 1905, but winning his Mallett Cup medal that afternoon was the first of his many honours in the game. Canton were not without stars of the future either. Playing at fullback for them was Viv Huzzey who later won five caps on the wing for Wales before turning professional.

So Cardiff RFC became the first of the thirty-seven clubs who have won the trophy over the hundred and twenty-five years of its existence. However, they did not defend it the following season, probably because for the next two years, the competition was organised as a league rather than a knock-out. Cardiff never entered a team in the Mallett Cup again.

Tom presented the cup to the winning team immediately after that first final. He no doubt attended many more cup finals and presentations over the years and he continued to support Cardiff RFC for the rest of his life. He died aged 85 in 1926 only a few days after watching the Blue and Blacks at the Arms Park. By then, the Mallett Cup was thirty-two years old and had become a much loved Cardiff sporting institution. Tom Mallett therefore deserves our gratitude.

Gwyn Prescott.
