Club Notes

This afternoon it is with great pleasure that the South Wales Police R.F.C. welcome to Waterton Cross all the players, officials and supporters of Cardiff R.F.C.

Cardiff this season appear to be transformed, except for one major upset they are having a good season and will now be concentrating hard to secure the League title.

The two sides have met once this season on the 3rd October 1992, with Cardiff running out convincing winners by 65 points to 8 points. Although the South Wales Police forwards won more than their fair share of possession on the day.

The last occasion the two sides met at Waterton Cross, was back on the 8th October 1969, with the South Wales Police side victorious by 21 points to 12 points. The Police side was captained by Ron Evans and in the Police ranks on the day playing against their own club were Alex Finlayson, Terry Stephenson, Paul Harding and Mike Knill. This match was arranged to commemorate the amalgamation of the force.

The South Wales Police XV of today would dearly like to repeat that performance but they must be fearing a back lash from last Saturday's happenings and all the Police players must appreciate that today they must all be on top of their game if they are to achieve anything positive.

Colin Hillman has now taken over the captaincy from the suspended Mark Pugh and all supporters will be pleased to hear that second row forward John Wakeford is making good progress from his knee injury.

Congratulations are extended to Mike Rayer and Mike Hall of Cardiff and to Hugh Williams-Jones of the Police on their selection for Wales to play England, next Saturday.

Congratulations are also extended to Steve Ford, Nigel Walker, Adrian Davies, Stuart Roy and Howard Stone of Cardiff and to our Sean Legge on their selection for Wales 'B' to play Holland. The very best of luck is extended to all players.

Our appreciation to Phil Cossey (Catering Butchers) and to Peter Rees (Haulage Contractors) for kindly sponsoring today's Match and to Cardiff Caravan Centre Ltd. for donating today's Match Ball.

Finally a warm welcome to our match officials. We hope you all have a good match and you enjoy your visit to Waterton Cross, for without you there could be no match.
