CLUB NOTES

Once again it is our pleasure to welcome Cardiff R.F.C. and their many supporters to the Sardis Road Ground. Always a good "Crowd Puller" tonights match should be no exception, and once again we should see a capacity crowd at Sardis Road.

The standard of play between the respective Clubs has proved to be very high, and over the past few years, Pontypridd have been able to record very creditable victories, and Tommy David and his men will have to pull out all the stops tonight to stave off what promises to be a very stern challenge.

Last season, Pontypridd won twice at Sardis Road against tonights visitors. The first victory in September was quite convincing by 25 points to 9. Our return game at Cardiff last Boxing Day drew a large crowd to Cardiff, where we were looking for our fifth consecutive victory, but it proved to be Cardiff's day and Pontypridd went down by 18 points to nil. Our third meeting of the season came as a result of the WRU Challenge Cup Competition, and midst deplorable conditions Tommy David led his team to a 9 points to 7 victory.

Our visit to Gloucester proved tremendously satisfying, the team's persistence bringing them a 22 points to 14 victory. The Pontypridd team have played better and lost, but the win has given them the added confidence to face our illustrious visitors this evening.

The ever improving Tim Harrison took his try total to six for the season, and Karl Swain made a welcome return to his scoring habits with two individual efforts.

Injuries, especially at threequarters, are causing concern for the Selectors. Centres John Poole, (broken finger) and Steve Lynn (high injury) are the latest victims, though it is hoped that the latter will recover in time for tonights clash.

Members will note that the new scoreboard has been in operation for the last few games. We would like to thank Mr. J.Gareth Thomas, the Travel Agent for his generous contribution towards this splendid structure, and also Mr. Barry Smith of Mothers Pride who kindly donated the names of all the Welsh Clubs we play against, for attaching to the scoreboard.

We are also indebted to the Directors of Fram Europe also for their continued interest in the Club. Last season they sponsored a match ball and already this season, they have donated a set of jerseys - Gentlemen please accept our sincere thanks.

Next Wednesday, 17th October, Swansea are the visitors, kick-off again is at 7.00 p.m.

Ron's Chat Chat

By now, all members should have received their copies of the Club's Letter offering them inflation-proof season ticket for the next ten years. This must be an attractive idea to dedicated Ponty Supporters and there are more and more of us wanting a comfortable seat in the Grandstand for every home match. Obviously, the position is going to get more and more difficult and any plan that can take us out of the annual dog-fight for tickets and at the same time, double the Stand capacity must be a good one. Remember, the seat is then yours, to do as you like with - for instance, you can enter the Stand ten minutes before the end of a match if you wish and still find your seat waiting for you - or you can send your wife or your son or even your mother-in-law to a match in your place. The whole edifice rests, of course, upon the response from our members, but if this is large enough, it is easy to envisage such things as a members' bar beneath the Stand for pre - and after-match use and other desirable additions. Of course, a 2000 seater stand, added to the new terracing at the Pwllgwaun end of the ground and to the cover of the 'bob bank' which, at long last, we are almost ready to start, would transform our ground into a stadium fit to hold any level of representative rugby short of an International. The prospects are mouth-watering indeed, but the whole thing hinges upon your readiness to part with a substantial amount of hard-earned cash, either in a lump, or in the instalments that can be arranged for you. So that's the package - your favourite seat earmarked for you for the next ten years - your own little permanent piece of Sardis Road if you like. After the next five years, you will be saying 'what a bargain'. At the end of ten, you will be saying 'let's do it again'.

Don't forget tomorrow night to come along and support our referees forum. All are welcome. Will members who have not yet received their membership cards please collect them from the caravan.

We are running short of the smaller size sweaters, i.e. 26-24, so, if you require a sweater for the younger supporters for Christmas please place your order at the caravan. We shall shortly have on sale ready for Christmas presents, 1 pint glasses embossed with our championship design and also tie clips and cuff-links, just the gift for any true supporter. We would also ask you not to forget the match draw. The winning numbers can be checked on the board on the caravan at
