Next Game on This Ground: Floodlight Inauguration Match Wednesday 24 Oct. Kick-off 7 pm

CLUB NOTES

Today it's our pleasure to welcome Cardiff R.F.C. to Grange Road. They are the holders of the Schweppes Cup and over the years have had victories over nearly all the major touring teams. This coming Wednesday they take on Australia and we wish them well.

Last Season's fixture at Cardiff Arms Park was played in poor conditions and yet the game was extremely entertaining. It was probably our best performance of the season, with Cardiff winning by 24 pts to 19 pts. Let us hope today's game is as enjoyable.

Tony Rodgers informs me that he played on the last university team to defeat Cardiff at Grange Road, by 22-6 in 1969. On that occasion the Blues were captained by Gerald Davies whose illustrious career included captaining our visitors today. Obviously Tony's appearance belies his true age, surely no one would argue with that, if they saw his performance as a second half replacement at Rosslyn Park in mid-week.

On Monday last we held the Freshers trial and today several who took part make their debuts for the LX Club in fixtures against Richmond Vikings and Nottingham Youth.

This Wednesday marks the inauguration of the new floodlights with a match between a Cambridge past and present XV v a Micky Steele-Bodger XV comprised of internationals. It is hoped this will be the first of many entertaining floodlit games at Grange Road. Kick-off is at 7.00 p.m.

We hope you will enjoy today's game and look forward to seeing you on Wednesday evening!
