We welcome Cardiff R.F.C. to Pandy Park this evening for this historic game, 'the first of our Centenary Season' our grateful thanks are extended to our visitors for agreeing to get our season under way.

This is the eleventh visit of the Arms Park outfit to Pandy Park, the first being on April 6th 1921. It was a game that carried an headline in the South Wales Argus "Great Welsh Back Play". At half-time there was no score although Cardiff were well served by Tom Johnson and clever fly-half Clem Lewis. The second half saw two spanking tries by Bob and Sam Jones, one converted by Ossie Male who was later in his career to skipper both Cardiff and Wales. Cross Keys had won the previous game at Cardiff 3-0 on 24th December 1920 on a wet day. The Keys forwards swept play to the Cardiff line where the legendary Jim Sullivan was bowled over for Lou Richards to pick up and get the winning try. At one stage during the game the Keys were down to 13 men as Benson and Oram received treatment, in fact while they were off the field Male received treatment after making a great save, but such was the commitment that they held on and won the day, a great day in the 100 years history of Cross Keys R.F.C.

Of the many Cardiff connections maybe the fact that Gareth Edwards made his first-class debut on Pandy Park is one we are very proud to remember.

Players Portrait No. 1 STEVE JAMES (Club Captain)

Born 22.5.62 Height 5'10" Weight 13st

Steve (who soon picked up the nickname Jessie James because of his ability to effectively lead raids on the opposition possession) won a Welsh Youth Cap from Nelson in 1981. He took over the captaincy of the club from Gerry Lewis in October last year and set his side a fine example. Steve gives nothing less than 100% effort supported by a good knowledge of the game and a placid temperament. All this augurs well for the club as far as leadership is concerned.

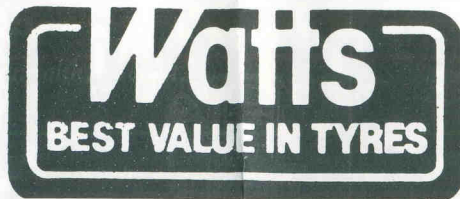

To date Steve has played 79 games and scored 10 tries. He lives at Treharris and is self-employed.
