#### NEWBRIDGE v. CARDIFF

SATURDAY, APRIL 22ND, 1989 Kick-off 3.00 p.m.

I asked the question in Wednesday's programme, could the standard of our Cup Semi-final be repeated within a fortnight? The answer was provided and it was a very definite yes. The large crowd went away knowing that they had seen a game played at pace and with exceptional skill, but unfortunately we were unable to reverse the previous result. Again it was a case of what could have been with just a slight "rub of the green." Our team has played magnificently on both occasions, they have enhanced the Club's image and demonstrated that standards within Welsh Rugby at Club level have not unfortunately been translated into similar performances at international level. It might well be that we are suffering from the lack of a more adventurous approach on the highest level. Sufficient to say that the two matches against Llanelli have been an advertisement for the game and it would be nice to think that they could signal the way forward.

Welcome to Cardiff whose visit will provide an interesting and exciting final to what has been a long and hard season. They had a slow start to the season which was completely out of character for them, but things have improved considerably since then. Their performance against Neath on Saturday last confirmed what we already knew. They are a force to be reckoned with and no doubt they will be intending to prove that today. Despite two recent defeats our form is good and we look forward to a game to remember.

Season Ticket Members are reminded that the Club's Annual General Meeting will be held in the Clubhouse on Monday, June 12th.

#### TODAY'S VISITORS — CARDIFF

Two weeks ago both sides had thoughts of a possible match against one another on 6th of May, but Neath and Llanelli had other ideas, and it is those sides that meet in the Schweppes Cup Final.

For Cardiff this is their penultimate game of the season (they have to travel to Llanelli next Saturday) and their record to date is: Played 41. Won 24. Drawn 4. Lost 13. Pts. For 975. Pts. Against 708.

Their top scorer is full back Mike Rayer with 207 points (7 tries, 31 penalties, 43 conversions). The wing partnership of Gerald Cordle and Steve Ford have collected over a half century of tries between them, with 32 and 26 respectively. No other player has entered double figures for the season.

Tonight will also see Alan Phillips make one of his last appearances for the Club. Earlier in the season he passed Howard Norris's record number of appearances of 413. During his career Alan has poached 156 tries.

The Club has several players involved with overseas tours this summer. Club captain Robert Norster travels with the Lions to Australia while Steve Ford, David Evans and Mark Ring travel to Canada with Wales B.

#### A PAST ENCOUNTER:

On the 16th October 1982 Newbridge won for the first time at the Arms Park. A Brendan McAloon penalty clinched a 11 points to 10 victory. He kicked the goal with only four minutes to go and was quoted as saying "I knew somehow that this was the one for me." He returned two seasons later to the Welfare Ground with Cardiff and scored two tries as Cardiff won the Cup match.

The full Newbridge XV:-

Brendan MacAloon, Dai Owen, Ian Goslin, Jeff Harris, Chris Phillips, Paul Turner, Lloyd Davies, Mark Pugh, Jim Stokes, Brandon Cripps, Mike Whitson, Clive Davis, Steve Flower, Alan Morgan, Dennis Hughes.

Geraint Williams replaced Goslin, Len Sims replaced Brandon Cripps.

Scorers: Tries: MacAloon, Owen. Penalty: MacAloon.

#### Peter Thomas

Peter Thomas joined Newbridge at the beginning of the season from Pontypool. However when he played against Aberavon in the fourth game of the season it wasn't his Club debut. He played one game back in season 1985-86 on the wing against South Glamorgan Institute. He then decided to join Pontypool.

He started his rugby career with Trinant and while with them won his Monmouthshire Union cap. He played once for the Monmouthshire County side and this was against Newbridge back in October 1981. Newbridge won by 21 points to 4.

To date he has played 24 times for the Club and has collected 39 points. These coming from nine tries and one penalty. He has the misfortune of being the only Newbridge back to have been sent to the sin bin this season.
