To All in Attendance :

In behalf of the City of New York, I am pleased to extend greetings to the players and fans gathered for today's international match between the great Welsh club, the Cardiff Rugby Club, and our own 'All Stars' XV made up of members of the Metropolitan New York Rugby Union.

New Yorkers are justly proud of the various teams which compose the Metropolitan Union, none more so this year than the 'Under 25's XV' which won the championship of the Eastern Rugby Union.

We are encouraged by your efforts to promote international friendship and goodwill through the game of rugby and in an event such as this, there can only be winners.

With Best Wishes to All

David Dinkins  
Mayor
