Chairman's Notes . . .

Today it gives me great pleasure to welcome player's, committee and supporter's of Cardiff R.F.C. to Broadacre on what is their first ever visit.

Following our visit to Cardiff in September, where on the field we competed courageously, but couldn't finish off some excellent moves, off the field committee and supporter's were given a superb welcome and I am sure it will be reciprocated today.

On the playing side Cardiff are still in the hunt for the Championship having lost just four games and with the outstanding squad of players, I am sure they will still have a big say in who will win the title. As for ourselves we have just completed a difficult couple of weeks, losing narrowly at Bridgend and Newport, two games that with the average amount of luck we could have won.

Who will ever forget the outstanding display last week against Swansea which was narrowly lost, mainly due to a very dubious decision by the replacement referee, so I say to all our supporters let's hear you all again today in what is our last league game of an outstanding year.

Best Wishes
GERAINT EDWARDS

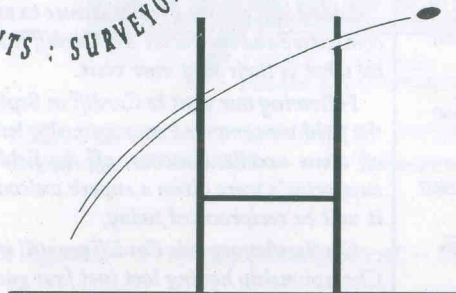

Don't lose your programme today! -- after the game there will be a Free draw for: programme holders. Your draw number is printed on the front cover. The prize is a bottle of Teachers Whisky.
Best of Luck.

President's Prompts

I must be honest and admit I missed last weeks game at Aberavon, but from what I have been told we were unlucky again. I am sure all who watched the Swansea game cannot fail to admire the effort our lads put into the game and pushed Swansea all the way.

Today we have another hurdle to cross, Cardiff. After the somewhat flattering scoreline at the Arms Park in September I am sure we have a small point to make today.

Our sponsor's today are Welsh Water, who would have thought that after all the rain of the last few months we wanted more from the water authority. Seriously though we are very grateful for Mr. Gordon Jones' support today, let's hope it's a dry day I am sure he doesn't need any more for a while.

I get Ball Sponsors approaching me at all times. A few weeks ago whilst having a meal out with the family Mr. Len Smith of the Cockett Inn came up to me and offered to Sponsor a Ball. After biting off his hand (well it reduced my food bill) I reluctantly agreed to take his money on your behalf. Many thanks Len.

Last week I held a very successful President's Charity Dinner in aid of "Stepping Stones" of Killay. As a result of everyone's generosity in attending, supporting the raffle and auction I will be presenting a cheque to the Parents Group of £3000.00.

I must mention one name, that my old friend MAX BOYCE who kindly offered to go and present a cheque on behalf of Top Rank Bingo this benefiting the fund by £500.

Regards
DAI VAUGHAN

Guests -- Duvant Junior School

Duvant Junior School rugby teams would like to wish Duvant R.F.C. success in today's match versus Cardiff, and for the rest of the season. Following last season's fantastic achievement of promotion to Division 1, it has been pleasing to see the side adapt so well to life with the big boys.

The majority of the school team play for Duvant R.F.C. junior section, and I would like to express my thanks to the team managers, both present and past, for their contribution to the school's successes of recent years.

This year's school side is brimming with talent, and we supply 8 boys to the Swansea Schools Team--Richard Rees, Jay Parry, Ross Davies, Matthew Hollis, Robbie Davies, Alan Pugh, Ian

Hullin and Michael Rogers. We have won two tournaments this season--the Swansea West 7 a side tournament (played at Broadacre) and the West Glamorgan Urdd 7 a side tournament (without conceding a point).

We have been victims of our own success, however, and following last season's success, we are finding it difficult to obtain fixtures this season. We are hoping for as much success as last season when we won trophies at domestic, county and national level.

Junior Report

The Under 8's at home to Glais were 10 nil down at half time and in an exciting second half controlled the game and came out 15-10 winners.

The Under 9's also played Glais, were 15 nil ahead at half time, but let Glais get back into the game in the second half and the game ended in a 15-15 draw.

The Under 10's away to Glais gave a good all round performance and were easy 10-38 winners.

The Under 11's away at Glais must have been in shock to let Glais score within 10 seconds of the kick off, only the third try to be scored against them this season, but after this initial shock they took control and played their usual solid running game and were eventual winners 7-54.

The Under 13's at home to Ystradgynlais controlled the play and had territorial advantage for much of the game but were unable to turn this advantage into points. They led 5-0 at half time and with

JUNIOR

NEWS

the score at 5-5 they defended their try line for the last quarter and the game finished at 5-5.

The Under 14's at home for their first round cup game were far too strong for Glais, and with many individual runs from the forwards and backs won 51-0.

On a muddy pitch which made handling difficult the Under 15's played well against Swansea Uplands and in a game which saw the backs make many penetrating breaks won 15-0.

The Under 16's against a very ill disciplined side at Bonymaen were far too strong for this side and ran in 8 tries to win 0-52.

THE COROLLA XLi AND CARINA E Xi. YOU'VE NEVER BEEN CLOSER TO THE CAR IN FRONT.

For sheer value for money, the new Corolla XLi and the new Carina E Xi mean that the car in front is a Toyota.

They're both well ahead on technology.

And both come with a standard 3-year/60,000 mile manufacturer's warranty.

Come and test drive the Corolla and the Carina E.

And decide which is the car in front for you.

- 16-valve, twin-cam, fuel-injection engine with catalytic converter.
- Central locking and side impact bars.
- 5 speed manual gearbox.
- RDS stereo radio/cassette.
- Power assisted steering.

Under 21's Report

Since our last report the Under 21's have gone from strength to strength, especially in the M.E.B. Floodlight Tournament held at Worcester (our home ground) where we have beaten a very strong Orrell side by 44 pts. to 11 pts. in an awesome display of forward power, described by many of the spectators as one of the finest displays seen from a Dunvant pack for sometime. Thus in the next round 'revenge is sweet', the lads took on and beat a Swansea U/21 side which had been considerably strengthened since our last meeting winning in the end by 19-11, man of the match reward going to James Richards (Orrell), Lyn Rees (Swansea). We look forward to our next trip to Worcester or home as we call it where we play the winners of Wasps versus Bristol in the semi-final.

CLUB

NEWS

In between we have won handsomely against the Navy and on our early season overseas tour to play London Irish, we lost narrowly having to field a strange looking side, the trip to London was however regarded as wonderful experience especially on the roundabout in Reading.

This Saturday we are away to Coventry and next week away again to Llanelli.

Whatever the results, the team spirit and character of the side is becoming quite formidable.

From all the Under 21's,
MERRY CHRISTMAS
