Chairman's Notes . . .

For today's Heineken League game we extend a very warm welcome to the Cardiff team, officials and supporters for what could be a very important game for both clubs.

Our visitors are currently lying at the top of the Division, two points clear of the other team in Swansea, having only lost one match, incidentally that was on their last visit to the City.

Cardiff have won their last two league games by fifty points against Pontypool and Abertillery respectively, and if you need reminding they beat us last season at Cardiff by fifty points, but in the return match at Broadacre it took a special Mike Hall try to edge us out 6-8, after that performance I am sure Cardiff will treat us with the greatest of respect.

Before I close I must congratulate the team on the tremendous performance at Pontypool Park last Saturday. After the disappointing defeat the previous week the level of skill, enthusiasm and commitment to the cause was immense—well done lads.

Thanks also to our loyal band of supporter's for making the long trip. You are greatly appreciated, so let's hear you again today.

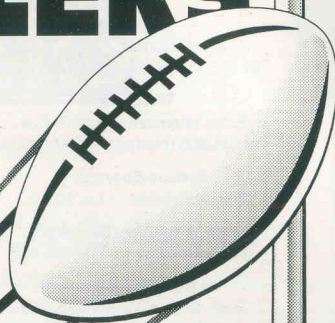

Best Wishes
GERAINT EDWARDS

President's Prompts

Only 35 shopping days to Christmas and what is more important 35 days to our fixture against Bridgend. Why mention Bridgend when we are playing Cardiff, well it's on the way to Cardiff and what's more, it's our home fixture on Christmas Eve.

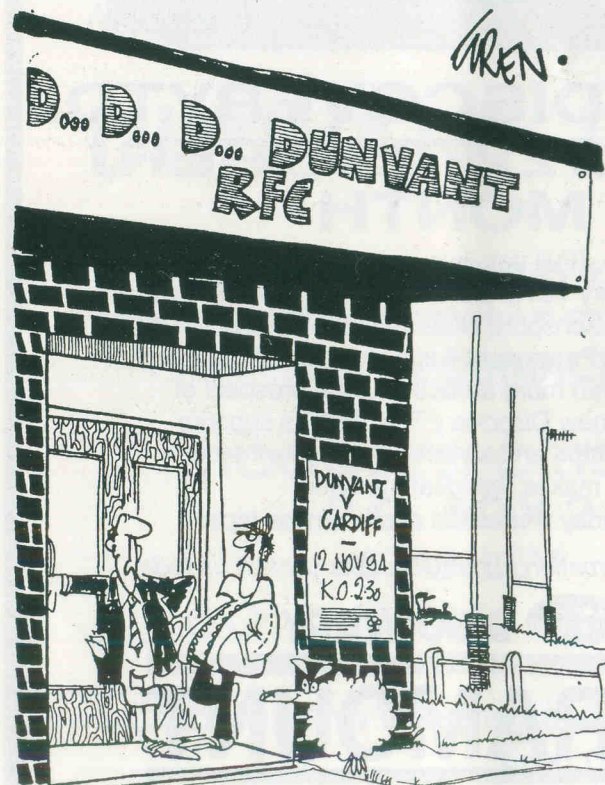

Match sponsorship on Christmas Eve for the business fraternity is going to be hard to find, so why not think of coming to the club a bit early, partake in a pre match buffet and drinks, grandstand seat, all for £20.00. Already we have a brass band and members of the choir who will guide you through your favourite Christmas carols and who knows, you might win the free draw for a weekend for two in London. So why not make up a pre Xmas party group and start early.

Now, today's game, the third time we will have played Cardiff and we all remember the close game we had earlier this year when they won by a late try by Mike Hall.

Today we are grateful to our sponsors FAB Alarms, SWALEC, Midland Bank and Plane Weighs. If you are interested to know how they weigh Jumbo Jets then speak to Dave Dickenson today.

Also a first today, we have a Gren Cartoon. After seeing it now I'm sorry I asked him when I met him at the Welsh Rugby Writers Dinner. Gren has heard a lot about Dunvant but never visited, so, I extend a warm welcome to him and his guests.

Don't forget then, book early for the Christmas Extravaganza.

"I BLAME THE COMMITTEE - THEY SHOULD NEVER HAVE ASKED DAI VAUGHAN TO ORDER THE DAMN THING!"

WAYGOOD**

Position PROP
Age Young

Height 5'11"
Weight 15st 7lb.

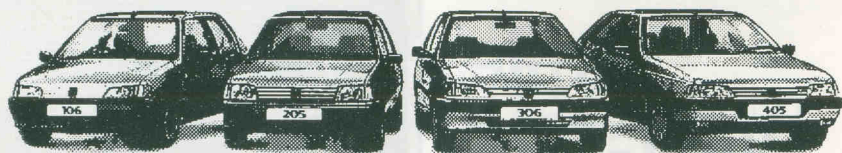

Mark is in his ninth season with the club at senior level after having played all his junior club rugby from age 10 with Dunvant and his schools rugby at Olchfa. Mark played his college rugby with South Glamorgan Institute and has representative honours at Welsh Schools level and six Welsh Students Caps.

Mark is a P.E. master at Bishop Gore School and includes amongs his hobbies cycling and keeping fit. This latter hobby is carried over with his club activities where he is the fitness advisor to the First XV squad on fitness routines and diet.

Mark lists his favourite food "anything that stays still" and this love of food led to one of his best rugby moments "sharing the galley with the boys at Brixham". His favourite film is Zulu and sportsman Daley Thompson.

His most respected opponent is the "next one" and that has been his motto through what he regards as his career highlight of being part of the last five years at Dunvant. Finally, Mark is a single man, but very engaged to Bethan.

Next Saturday we are once again at
home to Abertillery and the following
Friday, we entertain South African side

WHY NOT TRY BEFORE YOU BUY

JUNIOR SECTION

UNDER 8's:

The Under 8's who are improving with every game held a strong running Gorseinon side to a 0-0 draw.

UNDER 9's:

Last Friday evening the Under 9's were invited to play against Ammanford Under 9's under floodlight on a large pitch the Dunvant boys played their best game of the season, running in 7 tries to win 35 nil. The passing and tackling of the Under 9's was of the highest standard. On Sunday a game was arranged against Swansea Uplands which Dunvant won 40-25.

UNDER 10's:

Despite having lost four of our most experienced players to a cub camp and with a losing scoreline of 37-7 the team played extremely well. The boys were very unfortunate not to have had a scoreline which could have reflected the evenness of play and with more experience of play the results will improve.

UNDER 11's:

Were at Gorseinon where they won easily 70-0 in a good running game.

UNDER 12's:

Played a curtain raiser before the big match against Pontypool 10-12, but

they lost 31-0 with Dunvant on the defensive for all of the game against a very big strong Poola side. The return match will be on 11th March as a curtain raiser to the Dunvant-v-Pontypool match.

UNDER 13's:

The Olchfa boys who toured Canada with Olchfa School, the trip did them good and I am informed that the forwards and the backs played very well.

UNDER 14's:

Played Taibach away where they won 39-0 in a tremendous 15 man display.

UNDER 15's:

Played a friendly against Cwmtwrch which they won 42-8 with both the forwards combining well. Their next match is against Aberavon away.

UNDER 16's:

Played away to arch rivals Maesteg in a League match, both teams being undefeated to date. In a hard contested match Dunvant squeezed home by a superb try from wing Anthony Rees.
