THE SWALEC CUP

It is with considerable pleasure and no little pride that we extend a particularly warm welcome this afternoon to the Players, Committee, and Supporters of Cardiff R.F.C.

Despite the advent of the National League programme and the heightening of competitive awareness associated with it, there can be little doubt that the W.R.U.'s SWALEC Cup event retains a magic of its own that can serve to inspire the imagination and ambition of every player and every club within the length and breadth of the Principality.

Peter Goodfellow and his men were, of course, in process of finding their feet to the season when they set out on their glory trail with a slightly flattering 20-13 win at home to Cilfynydd way back in September. Confidence grew with the 35-8 victory over Llantwit Major and was carried over to the subsequent victories against New Dock Stars (26-18) and Bargoed (24-11).

To have achieved a first-ever place in the 5th round of the competition created a new chapter in the history of the Old Boys but, when the tie away to South Wales Police was delayed to reveal that the winners would host the current Cup Holders, it served to lift our Players to unprecedented heights and a 20-3 success that was even more convincing that the score might suggest.

There are, however, no illusions about the task ahead today. The all-round abilities of our opponents are from a level not yet experienced by the majority of Penarthian players. Yet we know that they are eagerly awaiting the challenge and we are sure that we can be forgiven for revealing that we are fully behind them as they seek to do themselves justice on the greatest day in our history.

In charge of events are Officials well known to us. Mr Huw F. Lewis's rise to the top has been watched with interest by us since his earliest days on the W.R.U. list whilst we are grateful that he has the assistance of the experience reflected in the presence of Messrs. Alun Ware and Clive Jenkins.

We welcome, too, the representatives of SWALEC and would assure them that their generous sponsorship plays a vital part in the success of this competition. In addition, we greet and thank Wyndham Honda plc for their support of Old Penarthians on this very special day, a sentiment that is extended to Ball Sponsors, Clarke and Hartland, and to the various local organisations and traders who have all helped to make the occasion one to be remembered in the Town of Penarth.

Stanwell School and Penarth Youth product who went on to play for Cardiff Youth and Newport before setting up successful partnership with David Bishop at Pontypool. Has played a major part in Penarthian fortune since returning to the fold via Glamorgan Wanderers and Dinas Powys, captaining the side last term. Leading points scorer and superb line kicker, would probably score more tries but for propensity to fall over when attempting to side-step!
