COUNTY SCHOOL FOR BOYS
PONTYPRIDD

We would like to express our very sincere appreciation of the kindness of the players and officials who have made this afternoon's game possible. We feel sure our Memorial Fund will benefit substantially.

During the war 1939-45 hundreds of Old Boys served in His Majesty's Forces. Our Honours List is outstanding in the number and quality of the awards.

It is our sad duty, however, to record that at least 98 Old Boys made the supreme sacrifice. As an Association, we felt that immediate steps should be taken to recognise this outstanding contribution to the national cause, and decided to institute a Memorial Fund. Our object is to erect a Plaque in the School and to raise a Capital Fund of £3,000 to provide Scholarships for pupils. We are appealing to all friends of the School to give their support and feel confident that the appeal will meet with such a generous response that we shall be enabled to perpetuate, in a worthy manner, the memory of those "who died that we might live."

On behalf of the Association,

I remain, yours faithfully,

E. R. THOMAS, President.
