## N O T E S

Today we take special pleasure in welcoming Cardiff Youth XV to New Tredegar. Wherever rugby is talked about all over the world the name of Cardiff and Arms Park will surely be mentioned. The best traditions of rugby football on and off the field are to be found there and it is confidently expected that Cardiff Youth XV will faithfully uphold these standards.

The committee and players of New Tredegar Youth have an added appreciation of Cardiff's visit this afternoon. It has been, for some time now, an annual gesture to offer to the O.A.P. Committee the strongest and most attractive fixture of the season to raise money for the O.A.P. Christmas Fund. This year it is Cardiff and the committee feel that no better compliment could be given to the O.A.P.

The Cardiff XV this afternoon contains one international in L. Hower, the right wing. Three other lads - B. Harris, I. Jewell and C. Prescott - also represented the Welsh Youth XV some weeks ago in their game with the Welsh Secondary Schools XV.

New Tredegar have three of their regular first team players battling it out this afternoon for Monmouthshire in the Crawshay Cup Competition. However, their replacements will give a very good account of themselves and a first rate game of rugby is anticipated.
