WELCOME CARDIFF

The John Player Rugby Football Union Knock-out Competition has caused alterations in Fixtures. The result is in our favour, for we are now able to extend a welcome to Cardiff, instead of playing them mid-week on 21st April next.

We are all pleased to see that our visitors have selected a strong side—which includes four Internationals.

Some people still say that the now famous Gareth Edwards had his first real Rugby grounding in the County of Somerset, when he partnered Vaughan Williams at Millfield School. It is also rumoured that Gareth was once selected for a Bath XV but could not be spared from his studies!

However, now that England are no longer in the running for the Triple Crown we wish Gareth and his team mates the best of luck for the rest of the Season (after today's game of course!)

It can truthfully be said that Cardiff never field a poor side. Our boys are playing well at the moment and we are all looking forward to good entertainment.

SNELLING SEVENS

We are pleased to be invited as a guest side in the Snelling Sevens at Cardiff on 1st May next. Our boys played well to beat Bridgend in the Cheltenham sevens this Season and no doubt they are looking forward to success at Cardiff.

GRAND HOLIDAY DRAW

We have spent quite a lot of money recently on the Clubhouse and Dressing Rooms. The proceeds of our Grand Holiday Draw will help us to pay for this.

Please make an effort to sell tickets. Counterfoils and cash should be returned as soon as possible.
