Today it is our very good pleasure to welcome Cardiff R.F.C. to Pandy Park for this W.R.U. Cup Second Round tie. Cardiff are the only senior Welsh Club not regularly on Cross Keys fixture list, yet the four games (Floodlit Alliance apart) played between our two clubs since the war have thrown up fond memories. Cardiff beat Cross Keys 4-3 at Pandy Park in 1946 thanks to a drop-goal from local boy Ewart Tamplin. Keys took the honours in the next encounter winning 8-0 at the Arms Park in 1965. Cardiff won a good game 22-10 in the quarter final of the Cup at Cardiff in 1981, Cardiff went on to win the cup, Keys were the first team to cross their try line in that seasons competition. Cardiff then played the opening game of last seasons Centenary Year fielding a star-studded side with the great deadly duo Gareth Davies and Terry Holmes at half-back. So we look forward with high anticipation to this afternoons encounter.

### Bereavement

It is with a deep sense of regret that the club heard of the death last Saturday of former secretary Mr Rod Dixon. Club Chairman Mr John Herrera and his committee offer their sincere condolences to his family.

### Rearranged Fixture

Please note Cross Keys will be playing Glamorgan Wanderers on this ground on Tuesday 30th December k.o. 7.00 p.m.

### Players Portrait No.6 RICHARD ANDREW DONOVAN

Richie made his debut against Swansea on April 1st 1981 but he certainly was no April fool. Richie joined the club the following season and has to date played 174 games for the Pandy Park outfit. He made his county debut in 1983-84 and is now rated among the top tight head props in Welsh Rugby. Richie lives at Newport and excels at Tennis and Squash.
