MATCH PROGRAMME 30p

CHAIRMAN'S ADDRESS

It gives me great pride and pleasure to welcome Cardiff to Ystradgynlais today. The last visit was in December 1974, when Cardiff ran out winners by 11 points to nil. That Cardiff team included the likes of Gareth Edwards, Gerald Davies, Ian Robinson, Alex Finlayson, to name but a few. It was a match I look back on with great pride, as I was a member of the Ystradgynlais team that day. It was also the first time for Ystradgynlais to play against a first class opposition. What a day to remember! Drawn against one of the proudest clubs in Welsh Rugby. Cardiff now boast the tremendous record of five Schweppes Cup Final victories, a record matched only by Llanelli.

Since 1974 Ystradgynlais have played in the Schweppes Cup: Llanelli — which was a 6 — 6 draw, Llanelli gaining a victory by scoring the only try. Swansea — a 3 — 0 defeat and Bridgend, a 19 — 6 defeat. Our only away encounter was at Ebbw Vale, which again was a narrow defeat.

I know the Ystradgynlais team have looked forward to this match for four weeks and I wish them and our Coach, Kevin Edwards every success today.

I welcome the B.B.C. to the ground and hope that their presence will inspire Ystradgynlais to a magnificent victory. Good luck, Boys!

I would particularly like to thank all our Sponsors and everyone else involved today for ensuring a heart felt welcome to Cardiff Rugby Football Club.

Diolch yn fawr,

COLIN JONES

Club Chairman.
