Club Notes

Welcome to a new season of Rugby Football at the Memorial Ground. There can be no better way to start our programme than entertaining Cardiff. Our visitors are our oldest opponents and are justifiable famous for their play and players. In the near future Cardiff will entertain the 'All Blacks' so today's game is of considerable importance in their team preparation. Our own team has been in training since early July so today's encounter will be between two well prepared teams.

During the close season our players have been actively engaged. Once again our Seven-A-Side Squad acquitted themselves with distinction in the Middlesex tournament losing in extra time in the semi-finals. The President of Middlesex wrote to the Club to say how much pleasure our teams had given the crowds over the last two years. Our senior squad visited America in May and played five games and won them all inspite of high temperatures and excessive humidity.

Next Wednesday Bristol "A" will play their first game of the season when they visit North Bristol. Dennis Skinner has put together an excellent card for the "A" XV considering he had so little time. It is interesting to note that the present United XV (Second XV) were called Bristol "A" when they played their first fixtures in early 1890's and by 1892 the Bristol Club were fielding three teams. The Annual Report of 1900—1901 gave details of the Committee's reasons for discontinuing the Third XV. The Club continued to field two teams until the outbreak of the First World War. Immediately after the War the Club fielded only one team and it was not until September 16th 1922 that the Second XV recommenced fixtures. Since then the Club has regularly fielded two senior fifteens. The addition of the Colts to the organization of the Club has been a blessing in many ways. It has enabled many youngsters to receive high quality coaching and excellent matches which has in turn, benefited the Bristol Club and many other Clubs. The reformation of the Bristol "A" XV (Third XV) is a continuation of this programme of education and development. The Club has invested a great deal of time, finance and playing expertise in this project and it deserves to succeed.

The common thread that has run through the Bristol Club's existence has been its fixtures with the Cardiff Club. Irrespective of Leagues, Cups, Representative matches, inclement weather, waterlogged and frozen pitches the Clubs have met, enjoyed their matches and have enriched the lives of players and watchers alike. Long may it continue.

The players of Bristol F.C. would like to thank Western Counties Ltd., suppliers of BMW cars for providing Promo jackets to the first team squad.

Nelson are unable to fulfil the fixture with our United XV team on Saturday, 9th September and Camberly R.F.C. 1st XV will take their place, kick-off 3.00 p.m.

Bristol Colts will entertain Peterhouse School, Zimbabwe, on the Memorial Ground on Thursday, 14th September. Kick-off 7.00 p.m.

THE GAS CHALLENGE

We are pleased to thank British Gas South Western for sponsoring today's match ball in order to commemorate their sponsorship of the England v. Wales Rugby matches for the years 1986-1989 inclusive.

Bristol Football Supporters Club

President: Ken Coggins
Hon. Secretary: Andy Powell

Chairman: Mervyn Evans
Hon. Treasurer: Jeff Kemp

Welcome back to the Memorial Ground to what we all hope will be a happy and successful season of Rugby played in the best Bristol tradition. Since last season further improvements have been made with new terracing on either side of the Centenary Stand, thereby continuing the policy to make the ground one of the very best venues for Rugby Football.

Success on the field leads to success off the field with increased gates and, what we all hope a greatly increased membership within the Supporters Club. We urge one and all to get behind the teams, good luck to Andy Dun and all the lads especially the new Bristol "A" team. The aim of the Supporters Club is two-fold i.e. to promote social activity between playing and non playing members of the club and, to raise money by various means which enabled us to hand over the sum of £13,000 to the B.F.C. in their last financial year.

We extend our thanks to all those who supported our efforts by patronising the tea-huts, buying raffle tickets and purchasing items on sale in the Supporters Club shop also for taking advantage of the transport made available for travel to away matches. We are confident we can rely on your continuing support this season, WELCOME BACK!

MEMBERSHIP Membership is open to all B.F.C. members for the small sum of 50p. This will allow cheaper travel on coach trips and saves money on entrance fees to any of our social functions. Contact our membership secretary Dennis Kinnersley at the club shop in the Bristol Room.

CLUB SHOP A new stock of sweaters, rugby shirts and other items all bearing the club crest are now available, also a limited selection of Centenary items remain in stock. Why not drop by in the Bristol Room, we shall be pleased to see you.

COACH TRIPS We have trips planned for the following two away matches — ORRELL (League) Saturday, 9th September. Coach leaves the ground at 10.00 a.m. Members £7.00 and Non-Members £8.00. SWANSEA on Saturday, 16th September. Coach leaves the Memorial Ground at 11.00 a.m. Members £4.50 and Non-Members £5.50.

Future trips include Coventry, London Irish and Moseley. Contact Steve Walding on Bristol 570146 or enquire for him at the club shop after today's game.

Today's Match Sponsor

HILL HOUSE HAMMOND LIMITED are once again happy to support Bristol Football Club, and indeed rugby itself, by sponsoring today's match with Cardiff.

Hill House Hammond's association with the club goes back as far as the formation of the company itself in 1954 when the first insurance broking office was opened in Westbury-on-Trym. Since those early days "the one man band" business has grown into one of the largest Insurance Brokers in the UK. Over eighty branches from Scotland to Cornwall now provide motor, household and other personal lines insurance covers for approaching half a million clients.

So far those who are finding it tough to beat the rising cost of insurance: why not call the nearest Hill House Hammond branch and watch us do a neat little "up and under".

Medical Supplies Sponsorship

We are indebted to **VEALE WASBROUGH SOLICITORS** for providing today's medical Supplies Sponsorship and for the following message...

Having sponsored the Bristol Seven at the Wang National Sevens and the Middlesex Sevens last year Veale Wasbrough extend their support this year to the Bristol 1st fifteen. Now one of the largest law firms in the South West, we field specialist players in every position including a grafting and skilled commercial department, a specialist insolvency unit swift to the point of breakdown, an experienced litigation department steady in defence but incisive in attack and a creative private client department.

Ring John Westcott on 276402 if you want to put us through our paces.

Veale Wasbrough Solicitors, 14 Orchard Street and 12 Berkeley Square, Bristol.

FROM MINOR AILMENTS TO MAJOR OPERATIONS

Whether you need to stick a knob back on or build a complete home extension, a trip to Graham's will solve all your problems.

Stay in touch with Cellnet and you could win a FREE cellular car phone (calls will be charged at the normal rate). 2 runners up will each receive the current Egon Ronay's Cellnet Guide.
