

CARDIFF RUGBY FOOTBALL CLUB

Chairman's Report Season 1981/82

In my opening paragraph of last season's report I wrote that I felt I had obtained both "the penny and the bun" as I had been fortunate enough to have achieved both the captaincy and the chairmanship of the Cardiff Rugby Football Club. This year on being re-elected Chairman I suppose I can say that I have had "two bites of the cherry"! In all seriousness I am fully conscious of the unique honour which has been bestowed on me.

Again in last season's report I made reference to the impending tour of Zimbabwe. I am delighted to say that under the enthusiastic management of Malcolm Collins and Mervyn John, ably supported by the acting captain, Gareth Davies, the tour was an outstanding success. All five matches were won and the hospitality was tremendous.

By now all members will be aware that Les Spence, the Athletic Club President, decided to call it a day and retire from the Rugby Committee. He had served the Rugby Club as a player and administrator for 52 years; fortunately his vast experience is still available to us. The committee places vacated by Les and Lynn Williams were filled by two past captains of the Club notably David Hayward and Gary Davies.

Another pre-season resignation, on personal grounds, was that of John Ryan, the senior coach. Although we were sorry to lose John we were fortunate in maintaining continuity through the appointment of Roger Beard and another former Cardiff player Gary Samuel was brought into the coaching team.

An air of expectancy blows through every club as each new season dawns, and we are no exception! Can we retain the Cup? Will we achieve the double of the Western Mail Championship and the Cup? These were some of the questions on everyone's lips. Prior to the season we won the Snelling Sevens tournament beating the guest side Leicester in the final — was this a portent?

Minus our captain John Scott, who unfortunately had had operations to both his ankles, September saw us off to a good start including wins at home over Neath and Bristol and away at Pontypridd. A draw at Coventry was followed by a defeat at home by Aberavon. On reflection, it may have been a blessing in disguise to lose our ground record so soon.

If September had been a hard start to the season with eight matches October saw us playing nine games, six of which were away. Our only defeat was at Pontypool Park where the previous season we had been beaten ignominiously, but our performance this time was much better. Victories at home over Northampton, Bath and — wait for it — Bridgend, were followed by further wins including mid-week away games at Maesteg and Newbridge which pointed to the quality and spirit of the team. By now with only two defeats there was talk of the possibility of the "Double" even though Swansea and Pontypridd possessed outstanding sides and our defence of the Schweppes Cup had yet to begin.

The 6th Wallabies also arrived during October. Although we had not been granted a fixture with them, it was our privilege and pleasure to act as hosts to Sir Nicholas Shehadie and his party at an informal buffet held in the Clubhouse. Whilst appreciating the views of those who arrange tour fixtures, we were extremely disappointed at not playing the Wallabies particularly as our record against Australia is the best in the Home Counties having won all of our previous five encounters.

During the month I was more than delighted to present a cheque on behalf of Cardiff Rugby Football Club for £4,000 to the W.R.U. Charitable Trust. This money was, in the main, raised at the Gala Dinner held in the City Hall last May and was in addition to the £1,000 previously donated by the "Cardiff 1953" side.

Three home games in November saw us register wins over Munster, Oxford University and Ebbw Vale whilst we commenced our defence of the Schweppes Cup with an away win at Barry still without the Club Captain. In his absence, however, his vice captain Gareth Davies was doing a magnificent job. Another away win at Llanelli on November 27th saw us take the lead in the Western Mail Championship — could we hold on?

December saw fixtures become decimated with bad weather. These included our second round Cup game against Glamorgan Wanderers but with the agreement of themselves and Bridgend, who commendably forfeited a plumb date for a home fixture we were able to re-arrange before the end of the month. Our success in this game and against Pontypridd meant we had stretched our number of consecutive wins to 12 — this started the historians delving into past records!

Despite further problems created by the weather we registered four more wins in January. From the result aspect the game at Aberavon under lights was probably the most important but from an

overall viewpoint the return of "Scottie" to lead the side against Bective Rangers was the most significant.

The postponed third round Cup game against Ebbw Vale was eventually played at Eugene Cross Park and although we won by 22 pts. to 6 the score somewhat flattered us. Our mid-week re-arranged home fixture against Swansea resulted in a resounding victory with superb support play and handling despite atrocious conditions. The following Saturday we returned to Ebbw Vale and again emerged victorious; I cannot recall another instance whereby we played the same opponents on consecutive Saturdays. Meanwhile the Old Player's Reunion which was a tremendous success took place on Friday, 5th February and again was held in the Top Lounge of the Clubhouse.

Having been drawn away for the first three rounds of the Cup it was a great relief, and a bonus, to be drawn at home for the quarter-final since, if we were fortunate enough to win, both semi-finals and final are played on neutral grounds. The game against Llanelli was hard, but on the day our pack proved itself once again and we won 12 pts. to 3. This was our 20th consecutive win.

The first Saturday in March saw us winning well against London Welsh at Old Deer Park and by another quirk of re-arranged fixtures we played and again beat Llanelli at home on the following Wednesday. Then came one of the finest club matches seen for many years. With Pontypool "hot on our heels" at the top of the Western Mail table we could be forgiven for anticipating a dour game but it turned out quite the opposite. Although the game was vigorous it was exceptionally fluid as the score of 36 pts. to 23 in our favour illustrates. The season was gradually coming to the boil! However, there was one depressing feature — the injury which Terry Holmes sustained against England at Twickenham.

A win against Heriots F.P. saw us ready to face Newbridge in the semi-final at Newport, and what a game that turned out to be with the team coming from 11-10 down to win 21 pts. to 11 pts. One interesting point was that in the previous year's semi-final Terry Lee had scored to clinch the game, whereas this year it was Gwynfor Williams who regained the lead. Two tremendous scrum halves and club men. This win gave us 25 consecutive victories which tied with the record achieved by the 1947-48 and 1885-86 sides, but the creation of a new record was not to be. By now reactions, both physical and mental, particularly after extremely hard matches were creeping in. It was therefore no surprise that we lost to a very strong Swansea side — who had not played for over a week — at St. Helens on the Wednesday following the semi-final.

A narrow win at Bedford and a narrower defeat at Bridgend — our Cup Final opponents — followed. However, on Easter Saturday, coincidental with the return of Terry Holmes the side peaked again. After trailing by 10 pts. to 3 we beat the Barbarians by 36 pts. to 31 in a fast and furious game played under ideal conditions. The news that Swansea had lost to Harlequins was cause for extra celebrations since now we could not be overtaken in the Western Mail table — November 27th, 1981 to 10th April, 1982 had seemed a lifetime!

Two victories over the Harlequins and Neath followed and once again we faced Bridgend at the National Stadium. As expected it was a hard game but even so was fast and most exciting. We made a disastrous start being 9 pts. down after six minutes but the character and determination of the side were not to be denied and by reason of Ian Eidman's well timed only try of the season, the game and the Cup was ours even though the scores were level at 12 pts. each.

Two days later Alun Priday, Roger Beard and John Scott led a tour party to South Africa following an invitation from the Pretoria Harlequins to play in an international club knock-out competition. Additional games were also played against Natal in Durban and a Western Province XV in Cape Town.

As the recent World Invitation touring side discovered the standard of play by the South African sides was particularly high, whilst considerable difficulty was experienced with the refereeing interpretation of laws applying to lines-out, ruck and maul and tackle.

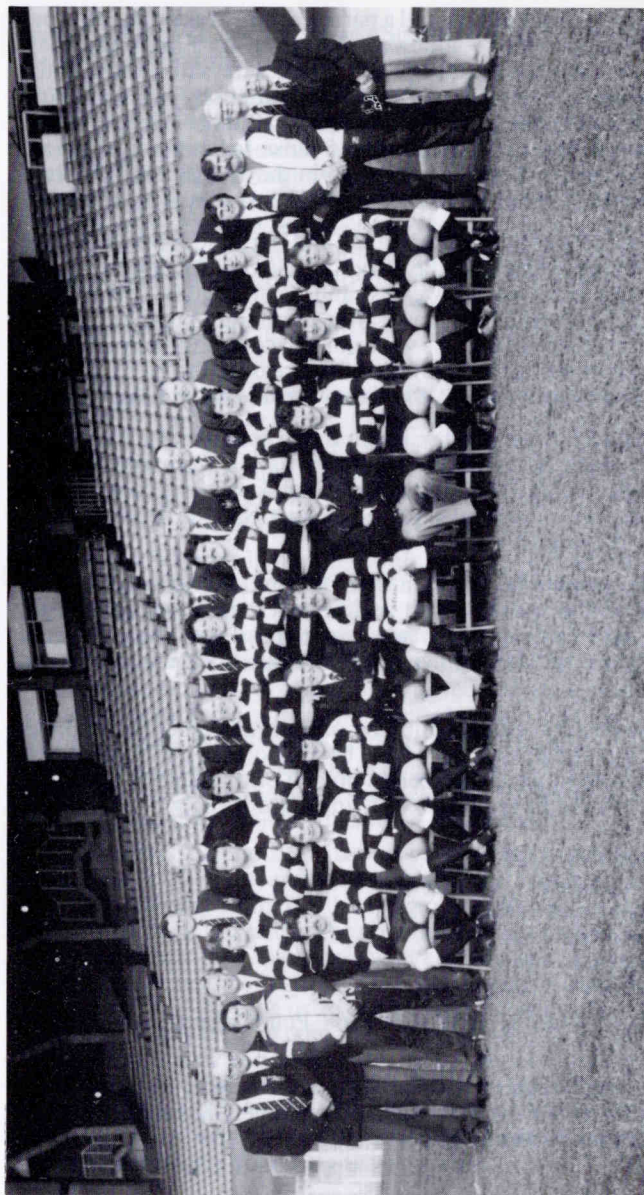

The hospitality and reception by officials and all concerned was tremendous and on our part I have been informed and assured that the players conducted themselves on and off the field in a manner which was a credit to both Welsh and Cardiff rugby.

My personal thanks go to all Committee men who have supported me loyally and wholeheartedly throughout the season. May I pay a special tribute to Malcolm Collins, my Vice Chairman and particularly to Alun Priday our Honorary Secretary for the tremendous amount of work which he carries out behind the scenes. Also to our Hon. Fixture Secretary Brian Mark, whose task this year was made extremely difficult with the number of fixtures which had to be re-arranged because of the atrocious weather – to our Hon. Assistant Secretary Peter Nyhan for his programme notes which are a joy to read.

May I also take this opportunity to thank Messrs. Ken George, Albert Francis and Mrs. Gaynor Parsons and their staff. To the Club Doctors, Physios and Masseurs for their advice and treatment throughout the season, during which, I am delighted to say we suffered less setbacks injury wise than in previous years. To Don Davies and his stewards for their cooperation in accepting the re-organisation. To Ted and Nancy John for their untiring efforts with the shop and to Ted in particular for his assistance with schools and touring parties. To Ken Jones and the most loyal and best supporters club in existence and to all members for their support.

Finally, in concluding this somewhat lengthy report – it isn't every year that we complete the "Double" and I feel that each moment should be savoured again – may I once again pay tribute to John Scott and Gareth Davies for their leadership, to the coaches Roger Beard and Gary Samuel for their dedication and to the Cardiff players. Their overall performance this season required some luck, but it really emanated from a blend of experience, character, ability but most of all – club spirit. With such a squad of young players I will be surprised if they do not enjoy their rugby and more success for some years to come.

CARDIFF ATHLETIC XV SEASON 1981/82

Captain: J. O. Brien.

Full Playing Record:

Played 34 Won 26 Lost 8 Points for 739 Points against 399

The season was a month old before Julian O'Brien was appointed Captain of the Athletic XV, a tough enjoyable but exacting task. Julian's attributes included his versatility behind the scrum and his enthusiasm both on and off the field. These have proved of immense help throughout the season which, whilst not outstanding, did show a slight improvement on that of the previous year.

What was of greater significance, however, was the fact that of the seven caps awarded to Athletic players five were gained by former Youth players. Not only may their success continue but may many others follow in their footsteps.

Athletic Caps were awarded to: S. Blackmore, G. Cordle, P. Goodfellow, J. Rawlins, M. Ring, K. Trevett, G. Williams.

Highest number of appearances: J. O'Brien (31), G. Cordle (26), S. Blackmore (24), T. Charles (22), P. Goodfellow (19).

Highest number of points: J. O'Brien 117 pts., C. Webber 71 pts., M. Ring 56 pts.

Highest number of tries: G. Cordle (23), K. Swain (8), T. Lee (7).

CARDIFF YOUTH XV SEASON 1981/82

By Cardiff R.F.C. Youth standards season 1981-82 is regarded as disappointing to all concerned. The squad enjoyed every minute of the season but the wheel of fortune turned elsewhere. Perhaps we have something refreshing to report here in that no matter how well prepared and coached a side is — and we were that — it does not necessarily bring success.

Unfortunately our most coveted success of the two previous seasons of winning the Welsh Youth (Esso) Cup was not to be this year. We were eliminated in the quarter-final after extra time had been played by Rumney.

This year's Cardiff Youth squad was a happy one, however, winning the game being important but not tantamount to success. Each game was played in the right spirit and afterwards in the Clubhouse an enlightening evening of entertainment was always on the cards. The rendering of "In the Mood" by the squad, each player "playing" an instrument being something to remember. Even Mark Ring's solo commentary on the Epsom Derby of the previous season which lasted a full two minutes was surpassed by this version of "Glenn Miller's" band.

We enjoyed a successful Scottish tour at the beginning of April winning both games — against Gala Selection 15-3 and Berwick 30-3 and won a 7-a-side tournament on the day in between in fine style. En route to lifting the trophy we defeated Selkirk, Langholme, Jedforest and Tynedale. One and all would like to return next year to defend and possibly retain the trophy!

Statistically we played 34 games, won 25, lost 6 and drew 3. points for 584, against 225. Top try scorer was Richard Chilcott with 14 tries closely followed by Martin Daly with 13. Total number of tries scored was 99 against 23. Chris Lakin was top points scorer with 77 and Jeff Howells was on 76 points.

Jeff Howells also made more appearances than anyone else with 31 and had the distinction of playing in every position behind the scrum. Jeff also earned himself "Clubman of the Year" award. Geraint Jones, our highly promising flanker, played in 26 games and collected the "Player of the Year" award — more of Geraint next year in senior rugby I think. My congratulations and best wishes to them both for the future.

Congratulations also to scrum half Neil O'Brien, lock Gary Singer

and No. 8 Alan Rhys-Jones on gaining Welsh Youth caps. I look forward with interest to seeing what impression they make with the senior XV's next season.

Noting the number of ex-Cardiff Youth players making their mark in the senior XV must be encouraging for players leaving youth rugby this year. The opportunity of playing in the senior teams must be foremost in their minds, but they can be encouraged by the fact that more of our own youth squad are making the grade every year. My congratulations especially to Mark Ring and Peter Goodfellow, two of last year's youth who are currently with the First team in South Africa. I am sure that Kevin Trevett, Jim Crothers, Mathew Hadley, Stephen Blackmore, John Moore and Joseph Souto to name a few ex-Youth were all in strong contention.

Notable victories during the season were recorded against Bristol (A) 14 pts. to 3, Newport (A) 22-4, Pontypridd (H) 26-7, Leicester (A) 12-7 and Llanelli 10-9 at Stradey Park. Going down to an U-21 Rosslyn Park 11-30 and Orrell 7-12 at the Arms Park, however, was a surprise to all — on successive Saturdays too. We play Rosslyn Park in London next season and hope for U-19 opponents and perhaps sweet revenge for the highest defeat I can remember.

Being less successful this year was hard to have particularly for our astute coach Peter Davies. He has coached the youth of our club for the past four seasons and can look back on a remarkable record. In the last three seasons for example the boys lost 7 games out of a total of 119 and at one stage had lost just one game in a hundred played (Neath away). He has not just coached Cardiff Youth but has cared for his youth players — extremely important, of course, at this level. All credit and appreciation must be extended to him for all his hours of dedication.

Unfortunately Peter has intimated that he no longer wishes to serve as a Cardiff coach after this present season and on behalf of the Club I wish him well for the future.

My personal thanks are extended to Jim O'Donnell, Dave Chilcott and Ray (Paddy) Collins of our faithful band of helpers. Thanks to Albert Francis for his help and special considerations to the Youth fraternity. Not forgetting Gaynor Parsons our stewardess who always seems to have time for the Youth.

Ted John has always accommodated our opponents with his marvellous tour of the Trophy Room etc. and I thank him once again for something that only he can do.

A special word perhaps for Evan Thomas our popular trainer

whose rub-a-dubbing and humour went down very well with the players on and off the field. Evan is in doubt about his availability to perform the duties next year because of business commitments — he will be sadly missed by all of us, especially at the Carmarthen stop-off.

Not an invincible or Cup winning season but certainly the basis and firm platform required for the transition and success of this year's Cardiff Youth boys to next year's Cardiff senior squad.

GARY DAVIES,
Hon. Secretary, Cardiff R.F.C. Youth

Functions and Trips arranged by the Supporters Club during the year ending 30th April, 1982 included the following:

April 23rd, 1981:

We entertained the Aberaman Band Club in the home leg of our Quiz Competition when, on this occasion, both our A and B teams won their rounds, making it a very successful and enjoyable evening.

July 3rd, 1981:

Our Player of the Year Award evening and we had pleasure in presenting a silver salver to Rhodri Lewis on the acquisition of his first Welsh cap, statuettes to the Captains of the First and Second Fifteen, the Rags Eight Cup to Tim Crothers and the Player of the Year trophy and tankard to our principal guest of the evening — Bob Lakin.

In addition, a shield was presented to Cardiff Rugby Football Club to commemorate the winning of the W.R.U. Cup for the first time.

The large attendance of players and officials for this very special evening was gratifying.

October 2nd, 1981:

We held a Country & Western evening and the entertainment was provided by one of South Wales' foremost groups and, once again, an excellent buffet was prepared by our Ladies Committee to ensure that the evening was a tremendous success.

December 10th, 1981:

The occasion of our 8th Annual Dinner Dance was not well supported — probably due to being held at the wrong time of year. However, a good meal was provided and the night indeed proved to be very enjoyable.

March 5th—7th, 1982:

Two coach parties of supporters journeyed to London for the weekend for the London Welsh v. Cardiff, England v. Wales games and, despite the scramble for tickets and the adverse result of the latter game, all contrived to have a marvellous time.

The Supporters Club ran trips to support our team at most of their away games and especially in their Cup run.

I wish to take this opportunity of thanking the Chairman of the Cardiff Athletic Club, together with the Members of the Committee, for their unstinted support and advice during the past year.

Finally, the Committee would like to extend on behalf of the members a very special "thank you" to the Stewardess of the Club for her co-operation and help.

K. A. JONES,
Chairman, Cardiff Rugby Supporters Club
