

CARDIFF RUGBY FOOTBALL CLUB

Chairman's Report Season 1982/83

A former Committee man, after congratulating me on my appointment as Chairman of Cardiff Rugby Football Club for season 1982-83 remarked "enjoy it". This I have done despite the disappointing results.

Before I start on my report I would like to welcome a new name and face to the Rugby Committee but certainly no stranger to Cardiff supporters, Ian Robinson. Whereas we welcome Ian and hope that he stays a long time I feel and hope we have not seen the last of Colin Howe who has put in an enormous amount of work on the Rugby Committee over many years.

Supporters may well ask "What's gone wrong this season", after two successful seasons in the Cup and one in the Western Mail Championship. You may recall a statement made by Roger Beard (Coach) in the newspapers before the season started that both coaches after the success of last season would like to see more passing, less kicking and therefore more enjoyment for both players and supporters. Although the Committee viewed this statement with some concern they were prepared to wait and see what the outcome would bring. The outcome as we all know is now history and the statistics for September read played 8, lost 4, drew 1, won 3.

October saw the arrival of the Maoris with their fleet-footed back division and superfit forwards, some just like giants. Cardiff could not match them for speed and went down by 10pts.-17pts. Other sides in Wales to play the Maoris must have watched this game and made notes on how to counter the fast passing and speedy backs because from that game on with a few exceptions they were not allowed the same freedom to play their own game.

By Christmas we had lost 11 games but in the early part of November we saw signs that the Cardiff we all knew were starting to take shape when we saw convincing wins over Leicester 32-9, Llanelli 24-13, narrowly losing to Swansea 13-18 in December and crushing defeats of Bridgend 29-6 and Pontypridd 56-3.

We must of course remember that during this period there was a late start to the season by Terry Holmes and we had more than our fair share of injuries, in particular to Rhodri Lewis and Tony Mogridge and also that Kevin Edwards decided that he needed some time off from rugby, now returned and showing us how much he was missed.

In 1980-81 season Cardiff lost 13 games but still won the Cup. I felt confident with a fully fit side we could do the same. Our run in the Cup with wins over Cilfynydd, Gowerton and Blackwood caused us no real problems but we knew it would be a different story at Pontypool Park especially without the services of Terry Holmes who was recovering from a shoulder injury. The three-quarters were never able to capitalise on the sufficient supply of ball from the forwards plus missing vital penalty kicks in the first half, dashed our hopes of making it a Cup treble and we lost the game 9-13.

Easter weekend saw the popular Barbarians visit the Arms Park on the Saturday and the Harlequins on the Monday. The least said about the Harlequins game the better, for everybody in Cardiff that is, but full marks to the 'Quins'. Against the Barbarians and without our captain John Scott we saw the true fighting spirit Cardiff are capable of when they came "back from the dead" to snatch a draw and with the last kick of the match could have won the game, the result 32-32.

The triumphs over Swansea and Neath show us what the season might have brought playing well controlled rugby.

In spite of the disappointing season, results wise, we can still produce two British Lions in Terry Holmes and Robert Norster and wish them on behalf of everyone connected with Cardiff R.F.C. a successful and injury free tour in New Zealand. A further great honour was that of John Scott to captain England, being the first Cardiff player to have achieved this. Congratulations also to Ian Eidman on his hat-trick having played for Wales B, Wales and Barbarians, to Mark Ring on his selection for Wales, to Jeff Whitefoot on his selection for Wales B and Terry Charles honoured by the Barbarians. Also Adrian Hadley, Mark Ring, Ian Eidman and Jeff Whitefoot have been selected to tour Spain with Wales this May, both Paul Rees and Owen Golding were reserves. Further honours will I am sure come to present youngsters in the Cardiff teams in the not too distant future.

Cardiff's tour to Devon and Cornwall was a complete success with wins over Brixham 25-12, St. Ives 41-25 and Penzance Newlyn 60-7, the welcome in Cornwall as good as ever. Add these scores to the existing total for the season and we have a new club points record of 1,126, not bad considering we lost so many games. This total does not include the two Centenary games we played this season against Dinas Powis which we won 22-6 and Pentyrch 50-8.

I have not mentioned every game in my report, mainly those that show us that despite the worst record ever in regard to games lost we

have shown in certain games with a fully fit side that we can match and beat the best of them. Let us not forget that the success of any rugby side depends on injuries and the availability of players throughout the season.

C. D. Williams, last year's Chairman, made a short report on the South African tour taken up by Cardiff in May 1982 and the results are as follows:

My personal thanks go to Alun Priday (Hon Secretary) for his guidance throughout the season. To my Vice-Chairman Stan Bowes and Committee men who have supported me during the season, in particular our Hon. Fixture Secretary, Brian Mark, who has the hardest job of all with our fixture list and Peter Nyhan for his weekly contribution with the programme notes.

I will also take this opportunity to thank Messrs. Ken George, Albert Francis and Mrs. Gaynor Parsons and their staff for their never ending work behind the scenes. To the club Doctors, Physios and Masseurs for taking so much time out to make sure we can put the best team available onto the field every week. To Don Davies and his stewards for their loyal support week in, week out. To the evergreen Ted and Nancy John for their wonderful help in the club Souvenir Shop and conducted tours of the Hubert Johnson room. To Ken Jones and our loyal supporters who had possibly every right to moan and criticise this season but have not, that's the sign of true supporters.

Last but not least my thanks to Roger Beard and Gary Samuel for their efforts and for being able to continue the same club spirit amongst the players as last season and to Elwyn Williams (Youth Coach) and Gary Davies (Youth Secretary) for their work with the Youth and taking them to the final of the Welsh Youth Cup.

A. D. WILLIAMS,
Chairman, Cardiff Rugby Football Club.

CARDIFF ATHLETIC XV SEASON 1982/83

Captain: Terry Charles.

Playing Record: P 40 W 32 L 8 Points for 949 Against 434

True to form the captaincy of the Athletic XV was not decided on by the start to the season. Terry Charles accepted the appointment but this did not stop him from playing for the First XV when required. One such occasion was the Barbarian game at Easter when his performance was appreciated so much by the Barbarians selectors that they asked him to play for them against Swansea on the following Monday, an honour well deserved. Once again the majority of "Rags" caps gained this season were by former Youth players so continuing from last season and therefore showing the true value of running a Youth XV.

Back Row: C.D. Williams, G. Davies, M. John, P. Goodfellow, D.M. James, A.D.S. Bowes.
 Second Row: B. Mark, P. Nyhan, M. Collins, I. Robinson, J.E. Davies, L.I. Williams, H. Norris.
 Third Row: R. Beard (Coach), N. O'Brien, I. Walsh, L. O'Brien, S. Blackmore, K. Lowe, A. McLean, A. Mogridge, T. Woodrow, T. Crothers, J. Souto, J. Howells, D. Jenkins, M. Shugar, R. Ayres (Trainer), G. Samuel (Coach).
 Front Row: N. Webb, G. Jones, A. Cordle, A.D. Williams (Chairman), T. Charles (Captain), A.J. Priday (Hon. Secretary), M. Daley, R. Newman, J. O'Brien.

This season's playing record although having played six more games than last season is very similar in results but their season has been disrupted by injuries to players in the First XV, but on the bright side this has given opportunities to present youth players to fill the gaps.

Athletic Caps were awarded to: Martin Daly, Jeff Howells, Geraint Jones, Keri Lowe, Tony McClean, Nigel Webb, Neil O'Brien, Jose Souto.

Highest points scorers: Peter Goodfellow (78pts.), Julian O'Brien (74pts.), Owen Golding (20pts.) (5 tries) v. Pentyrch.

Highest try scorers: Martin Daly 19; Gerald Cordle 15.

Representation from Cardiff Youth for Athletic XV: Mathew Harris (6); Gary Singer (2); Russell Gardner (2); Henry Watts (1); Terry Bishop (1); Chris Seal (1).

Select game: Cardiff XV v. Tumble, won 40-26.

A. D. WILLIAMS,
 Chairman, Cardiff Rugby Football Club.

CARDIFF R.F.C. YOUTH REPORT 1982/83

That Cardiff Youth had a poor start to the season would be an understatement to say the least. Three of the first four games were lost, the only success being the very first game of the season against Cardiff H.S.O.B. at the Diamond Ground where we struggled to a 10-3 win. Then came the reverse against Bristol at the Arms Park 3-21, St. Peter's at the Harlequins ground 12-33 and Leicester at the Arms Park 0-13. My only consolation at this stage, mid-way through September was that we had only four of last season's players available, still perturbing though. Rosslyn Park in London on 9th October was the next reversal where we were beaten by 10pts. to 6. At this stage we had played 9 and won 5 but were beginning to play together at last.

The second part of the season was a distinct improvement on the first. Only the home match against Llanelli at Sophia Gardens on 27th November, 1982 was the last between 9th October, 1982 and the match against Bryncethin on 12th February, 1983 where we lost, 9-12 and deservedly so. That Llanelli defeat incidentally was reversed when we went to Stradey Park for the second round of the W.Y.R.U.

CARDIFF RUGBY CLUB (YOUTH XV) – SEASON 1982-83

Back Row: D. Conway, M. Tovey, D. Hopkins, S. Reed, S. Crothers, N. Jones, G. Singer, D. Walsh, I. Gooding.
 Second Row: J. O'Donnell, S. Ryan, K. Smith, N. Regan, I. Greenslade, G. Duddridge, M. Roberts, T. Bishop, C. Edge, G. Harvey, E. Thomas (Trainer).
 Third Row: R. Gardner, M. Harris, J.E. Davies (Chairman), C. Lakin (Captain), G. Davies (Hon. Secretary), R. Chilcott, B. Powell, S. Collins.
 Front Row: D. Gibbon, S. Crandon, A. Sutton, A. Norman.

(Esso) Cup and played superbly to win 13pts. to nil.

However, by the latter part of the season our biggest disappointment was to come. After progressing to the final of the Welsh Youth Cup we lost to Whitland at Ammanford by 10pts. to 9. We played poorly on the day and that was that, runners up we were. The players themselves accepted defeat in the proper manner and I was proud of them.

I feel it my duty, however, to mention one or two facts about this Welsh Youth Knock-Out Cup Competition. From one season to the next no one knows when or where the final is actually to be played. Between the semi-final and final is a grey area where it is anybody's guess what is going on. Why the final is not played at a major Welsh ground, fixed the season before is beyond belief. In the last couple of years I have seen Cardiff Youth play in the final against Newport at Caerphilly (mid-week evening!) and now at Ammanford. It seems that youth rugby is still the cinderella of Welsh rugby compared to schools for instance. The ground at Ammanford was good even though the whole partisan population of Whitland lined the touchline! The after match facilities were poor and never really conclusive to a Welsh Cup final. Enough of that.

Notable victories were recorded against Pontypridd at Sardis Road 16-6, Newport (away) 27-7 (even though six of our players were involved in a District match) and that Llanelli cup game at Llanelli 13-0. Swansea were beaten 25-0 at Sophia Gardens and Durban H.S. 24-3 as a curtain raiser to the Barbarians-Cardiff game.

A typically cold day at Rumney on Monday, May 2nd, 1983 saw Cardiff Youth "A" beaten in the semi-final by the best side in the annual Cardiff & District 7-a-side tournament. The Rumney Youth side were in fine form and went on to win the Final. Better fortunes for our "B" side however – they won the plate.

Some Statistics are: Played 39, Won 30, Lost 9, Points for 755, Points against 336.

Top try scorers: Richard Adams and David Hopkins 13 apiece, Chris Evans and Richard Chilcott 12 apiece.

A special mention here for Mathew Harris, our goal kicking outside half who contributed 228pts. out of the total including 8 tries. In season 1980-81 Mark Ring scored 354pts. out of 1,196, so Mathew I think is on target for a successful career in the seniors. If he can emulate Mark he will do well! He has already turned out for the Rags on six occasions this season and accounted for himself very well – at full back too! Russell Gardner our tall centre who scored 10 tries this

season has also played in the Athletic side and I will be again looking with interest to his progress at senior level next season. Gary Singer, of course, should easily make his mark in the second row next season at least at Athletic level. Gary, a very mobile Secondary Schools and Welsh Youth international will be welcomed by the senior selectors I am sure.

Congratulations to Stephen Gordon (centre) who won Secondary Schools caps this season and to Andrew Sutton (outside half) who was replacement. Both have been selected to tour Canada in May where Andrew could still win that elusive first cap. Both players have assisted Cardiff Youth on many occasions when school commitments allowed.

In June 1980 Elwyn Williams was appointed Youth coach in succession to Peter Davies and he can look back at the 1982-83 season with some satisfaction as only nine games were lost. With six or seven of this year's team again available for the next season I think Elwyn can look forward to 1983-84 with enthusiasm.

Not least of the encouraging thoughts for next season is the fact that Chris Lakin, this year's captain has next year also in Youth rugby. Chris is the third of the Lakin brothers to captain Cardiff Youth and I feel that this amiable, talented and well respected player has honours in store for himself next season.

My personal thanks are extended to Jim O'Donnell, Dave Chilcott and Ray (Paddy) Collins for their company and help throughout the season. To Albert Francis I offer my personal thanks for all his help and special considerations to the Youth fraternity.

On behalf of her "cherubs" as she affectionately calls the Youth boys, I pay tribute to Mrs. Gaynor Parsons, our club stewardess, for everything she and her staff did for the Youth during the season. My appreciation too, to Mr. Ted John for his talks to visiting teams on the occasions that the Trophy Room was visited. To Evan Thomas our popular trainer may I say that on behalf of all the Youth Section I am pleased that you were able to perform your duties this year. In my report last year I wrote that you were in some doubt as to whether you could continue through business commitments. On the few occasions Evan could not attend Mr. Maurice Pinchers took his place and I thank Maurice too for his help and efforts.

Finally, the elected "Player of the Year" for 1982-83 is Mathew Harris, Most Promising Player is second row forward Nick Jones and Clubman of the Year Richard Chilcott. Trophies to be presented at the Youth Dinner at the Clubhouse on June 17th, 1983.

GARY DAVIES,
Hon. Secretary, Cardiff R.F.C. Youth.

Functions and trips arranged by the Supporters Club during the year ending 30th April, 1983 included the following:

June 11th, 1982 — Player of the Year Evening:

It was gratifying to see such a large number of players and officials at this now popular event. We had the pleasure of presenting a number of awards during the evening, with the principal award going to Owen Golding as Player of the Year, while the Rags Player of the Year was Terry Charles, who received the Eight Cup. Other awards went to the captains of both the First and second Fifteens, and a special award of a carriage clock to Gareth Davies in recognition of his being appointed to the captaincy of Wales and for his contribution to Cardiff R.F.C. during their very successful season. Clocks were also presented to two very popular personalities who had recently retired from active duty, namely Tom Holley and Ian Robinson.

An excellent buffet, followed by dancing to a disco, rounded off another good night.

September 10th, 1982 — Racing Night:

We held our Racing Evening, but unfortunately suffered from poor support, probably due to the lack of contact with the members, caused by so many away games. Nevertheless, it turned out to be an enjoyable evening.

October 25th — Maori Visit:

This evening proved to be one of the outstanding social events of the year, when we were privileged to entertain over 100 of the visiting Maori Supporters in the club's newly opened Bute and Tudor Lounges. What a wonderful time was had by all, good singing by the Maoris and also from our own friends of the Morlais Male Voice Choir.

November 26th — Sports Quiz Night:

A party of some 30 or so members travelled up to the Aberaman Band Club in the Cynon Valley for the away contest in this now annual event. I am glad to report that both quiz games were won by our teams. Afterwards we were well entertained by the Mountain Ash R.F.C. Choir.

December 3rd — Country and Western Evening:

This was our second Country and Western evening, and we were indeed lucky to have been able to book one of the top lady

entertainers. We were assured of a good attendance, and this proved to be the case. The ladies Section producing their usual first class buffet to please one and all.

February 25th, 1983 — Sports Quiz Night:

A large contingent travelled down from Aberaman for the return match when honours were shared, with a win to each team.

March 19th, 1983 — French trip:

A party of 55 members travelled to Paris for the Wales v. France match and thoroughly enjoyed themselves. This time the boat trips both turned out to be reasonably comfortable crossings, and it seems that most of those who went have intimated that they intend going on the next trip.

March 25th, 1983 — Racing Night:

The second Race Meeting of the year produced another excellent time for those present, even though the attendance was not up to our expectations. The usual buffet helped fill the gaps made by the losses on the horses.

April 15th, 1983 — Annual Dinner Dance:

In an effort to create a bigger interest in our Annual Dinner it was decided to run the event at a quieter time of the year, away from the busy Christmas festivities. This proved to be a good idea, and we were blessed with a good attendance, and the night proved to be one of our best.

The Supporters Club ran trips to support the First XV team at most of their away games, and some enjoyable times were had at some of the evening sessions, particularly the Bath Fancy Dress evening in April last.

I wish to take this opportunity of thanking the Chairman of the Cardiff Athletic Club, together with members of his Committee for their kind assistance and support during the past year.

The Supporters Club committee extend sincere thanks to the Stewardess of the Club for her very kind co-operation and help given to our Ladies Section during our social events.

K. A. JONES,
Chairman, Cardiff Rugby Supporters Club.
