

CARDIFF RUGBY FOOTBALL CLUB

CHAIRMAN'S REPORT FOR SEASON 1986-87

I well remember how honoured and excited I felt when elected Captain of Cardiff in 1974 and followed by the Chairmanship of this World famous Rugby Club, I have accomplished something that I will certainly cherish for the rest of my life.

The year began with our major concern the requirements of the Safety of Sportsground Act. It soon became evident that our Local Authority was not prepared to be sympathetic with a gradual improvement to one of the most modern grounds in the U.K. After an enormous amount of work and time they eventually agreed that our games could take place in September. Our Wednesday night game against Pontypool in October was only cleared late on the Tuesday evening preceding the game. However we have now almost completed the necessary work and continue to have one of the safest most modern Rugby Grounds in the U.K.

With the retirement of Gareth Davies and the loss of Terry Holmes last year our season started for the first time for many years without an International Half-Back. Our International players had also been asked to limit their games to one per week, while within the first week of the season we were to lose our Captain Alan Phillips through injury for a number of months.

However we opened with a trio of wins over centenary celebrating St. Peters, Glamorgan Wanderers and the District XV but soon the first indication of our loss of form came with heavy defeats at Bristol and Neath, where the home side showed the form that was to trouble so many sides this season. Good wins over Coventry and Pontypridd were followed by a defeat at Aberavon where at one stage we held a 22-9 lead. Our indifferent form continued into October with the reverses at Bridgend, Bath and the Wasps but success over Newport, Northampton, Harlequins and Pontypool where we will all remember Adrian Hadley's last minute 80 yard touch down.

Struggling to find a successful consistent pattern of play with many mistakes and a high points against average our Vice Captain Alun Donovan in the absence of our Skipper Alan Phillips, worked admirably to allow us to reach the end of November with a home record intact registering further wins over Leicester, Oxford University, Ebbw Vale, Newbridge and Bangor, Northern Ireland with only a draw against Llanelli. November also saw the start of our defence of the Schweppes Cup with a victory at Treorchy by 14

points to 7. An interesting headline in the South Wales Echo the following Monday read "Put Cash on Cardiff Sid" suggesting that "a modest investment on Cardiff to retain the Schweppes Cup could prove an even more attractive return than British Gas Shares".

We were at our lowest ebb in December with defeats at Swansea, London Welsh, a draw at Bridgend and the loss of our home record on Boxing Day when Pontypridd, a team struggling to find their form, took the honours. The only festive cheer was the Schweppes Cup victory over Cross Keys where for the first half we displayed quality Rugby which defied both the conditions and our recent indifferent form. 1986 closed with 9 losses and 2 draws in 27 games, there was no consistent form yet our Squad was not dissimilar to previous years.

1987 started with a good victory in the Gas Challenge match against a Bath side sadly depleted because of a last minute England trial and this was followed by home wins over Moseley and Aberavon. The Cup match against Llanharan and again we returned to our inconsistent form. Full credit to Trevor Worgan and his Llanharan heroes for coming within an ace of a historic victory at Cardiff.

All our attention in February was on the Cup and our forthcoming fixture with Newport, wins over Sale and Bristol losses against Maesteg and surprisingly Ebbw Vale but the Cup victory over Newport, our traditional enemies, was surely a turning point with two months of the season remaining. Once again it was the Schweppes Cup that had sent the adrenalin flowing and the thought of yet another Schweppes Cup final was uppermost in everyone's mind as we proceeded to find our more traditional form for the remainder of the season. Apart from our loss at Pontypool a final drawdown of the season brought 9 good victories over London Welsh, Penarth, South Glamorgan Institute, Derry, Bedford, Swansea, the Barbarians and Neath. The latter for the second time within a month when once again our clinical Cup form destroyed the high riding Neath at Swansea in the Semi-Final

The climax to our season saw our victory over Swansea in the Schweppes Cup Final after extra time, a fitting finale to Alan Phillips two terms of Captaincy, a magnificent all round team performance displaying the skills of defence, soaking up the pressure, while taking each opportunity given to out point the opposition with Geraint John's penalties, that well taken try by Gerald Cordle and who will forget that Mike Rayer drop goal!

Our congratulations to Jeff Whitefoot, Robert Norster, Adrian Hadley, Mark Ring and Stephen Blackmore on gaining International honours and good luck to them together with Gareth Roberts and Alan Phillips as our seven representatives in the Welsh Squad for the Inaugural World Cup. The late call up of our skipper after five seasons in the International wilderness is a just reward for his consistency and patience. I wish someone, somewhere, in authority could explain why this exceptional player has been overlooked during a period while he has been at the peak of his Rugby career.

We wish them all success to return with the Webb Ellis Cup. While they are in Australia and New Zealand our players are breaking new ground in Spain. I am sure they will uphold our Cardiff name and traditions under the guidance of the Tour Manager, Lloyd Williams and Assistant Manager Ian Robinson.

My personal gratitude goes to all Committee Men who have supported me loyally and conscientiously throughout the season. A special tribute to Alun Priday our Hon. Secretary for his ready assistance and for the tremendous amount of work which he carries on behind the scenes. Our Club Selectors, Vice Chairman Gary Davies, C. D. Williams and John Nelson performed admirably with an unenviable task on many occasions.

I pay tribute to Alan Phillips and his Vice Captain Alun Donovan for their leadership and to the dedication of our ever present Coach Robert Beard who was ably assisted for a short while with Dennis John and latterly with Gwilym Treharne another ex-player who I am confident will give Cardiff good service in the coming seasons.

It was sad to see Kevin Edwards enforced retirement through his eye injuries. This confident bouncy Second Row whose charging runs were as much a characteristic as his boxer snorts in the rucks was very popular throughout the Club I wish him good health and happiness in his future.

May I also take this opportunity to thank Alf Heffell, Albert Francis, David Picton and their staff. To the Club Doctors, Physios and Masseurs for their advice and treatment throughout the year. To Ted and Nancy for their valiant efforts with the Shop and the public relation work with visiting parties in the Museum. To Ken Jones and the most loyal dignified Supporters that any Club could have, together with all the Club Members for their support throughout the year. Finally I wish to extend my appreciation to every Cardiff Rugby Person who has made this a most enjoyable year.

MERVYN JOHN, Chairman, Cardiff Rugby Football Club

CARDIFF ATHLETIC CLUB SEASON 1986-87

Captain: Matthew Hadley

A poor season by our standards yet with a pruned Squad of young players Matthew has continued to play and demand open attractive Rugby to give every player the opportunity to contribute fully. We should not measure their success by results but by the contribution to Cardiff Rugby Football Club. I am sure that many would agree that it was the Athletic's players who played so admirably for the Club in the April victories over South Glamorgan Institute, Bedford, Swansea and Neath an invaluable contribution to our run up to the Schweppes Cup Final. The season is best remembered for the double success over a strong Newport United team 45-24 and 43-13 and the away 21-24 victories over teams having successful seasons were against Pencoed and Blackwood.

CARDIFF R.F.C. YOUTH REPORT 1986/87

The season proved to be one of the leanest for many years by Cardiff R.F.C. standards and an early exit from the Esso Youth K.O. Cup was an indication of things to come. With only a handful of players left from the previous season 1985/86, the new blood and youngsters had a difficult task on their hands.

We appointed a new coach too, a certain Mr. Cliff Howe, scorer of the Cardiff try against the New Zealanders in season 1963/64 when we narrowly lost 5-6. Cliff too was obviously settling in during the early months of the season and with his young side, suffered more defeats than one would wish.

However with his obvious guile and determination it was only a matter of time that the young squad would take shape and the latter end of the season saw fruition of these efforts in some excellent results. Notable victories were:

versus: Northampton	13-10
Nottingham	26- 3
Orrell	20-19
Maesteg	8- 3
Pontypool	14- 8
Crawshays	40-28

Skipper and Hooker Christian Greedy was the mainstay of a side that developed over the season, assisted by Eamonn John and newcomers Sean Armstrong at outside half, and Chris Conway, centre. No Honours and no International Caps however but a lot of hope for next year.

Whilst on the subject of naming players I cannot fail to mention two prospects that strike me as more important than any of the others at this time. That is our two second row forwards Simon Jenkins and Gerrard Davies.

These two 6'5" locks are eligible for Youth Rugby again next year and we look forward to their continued development.

The most important asset to me during the season has been the Office Staff, especially Mrs. Ann Thomas. Her organisation and interest has been considerable to say the least and my thanks on behalf of the Youth is extended to her in particular. Albert Francis has been his usual pillar of strength to the Youth fraternity and once again I thank him for his efforts. Jim O'Donnell deserves praise for his dedication to the Youth of the Club over the years and as always my thanks and appreciation go to him, also to Colin Davies who has worked most diligently this season.

This season the Youth have been well served at Committee level by Mr. John Davies who takes a special satisfaction in organising the Fund Raising events in conjunction with the Supporters Club. This brings me to my acknowledgement of the efforts made to the Youth Section by the Chairman of the Supporters Club Mr. Ken Jones and his Committee. Thank you gentlemen for your support throughout the year.

Last but by no means least is Evan Thomas our physio. A gentleman and his rub-a dubbing is excellent proof.

GARY DAVIES, Hon. Secretary, Cardiff Youth R.F.C.

Report of the Cardiff Rugby Supporters Club for the Year ending 30th April, 1987.

As in previous years the opening event of our Social Calendar for the season 1986-87 was the Club's Player of the Year Evening. Held at the Clubhouse in June with the usual packed house. So with everyone enjoying themselves it was especially pleasing for me to present the principal award of Player of the Year to Gareth Davies for a really memorable performance throughout the season. Other awards were presented to Ceri Jones as the Rags Player of the Year and also to the two Club Captains namely Alan Phillips and Matthew Hadley. The presentations ended with a special gift, in the form of a suitably engraved Decanter and Glasses to Gareth Davies for his devoted service to the Cardiff Rugby Football Club and for the many pleasurable moments he has given to the Supporters and Spectators during his years with the Club.

In mid June a number of the Officers and Committee Members, accompanied by their wives, attended the 2nd Annual Dinner of the Association of Welsh Rugby Supporters Clubs. The event, held at the very pleasant Police Club at Waterton Cross, was an excellent one and it was very pleasing for us to see our own Mrs. Joy Goodfellow receiving a special award. The presentation was made to her at the Welsh Rugby Supporters 'Personality of the Year' in recognition of the work done by her in planning and organising the Rugby Clubs Exhibition earlier in the year. Husband, Peter, was not left out either. He received an Association Tie as a memento of the occasion.

Our Social Events started again in September after the Summer Break with another Referee's Forum arranged primarily for the Players as well as the Supporters. Unfortunately there was a mix up in the arrangements and only the Supporters turned up, nevertheless it proved once again to be an enjoyable night thanks to Malcolm Thomas, (of 'Know the Laws' fame), and his colleagues. October saw the first of our Race Nights while in November we were pleased to have our first Big Band Concert which proved to be a wonderful evening so much so that a repeat must be considered.

As in previous years our Christmas period was quiet due to the fact that there are so many other events to compete with that we have decided to give our members a rest. This is the time of the year to let them support their own personal activities and clubs etc. We got things back to normal in January with the return of Frank Hennessey to another full house. The second of our new events was the Country & Western Evening in February. Although the original band booked was unable to attend due to the late hospitalisation of

the band's leader, the late replacement band proved to be outstanding and was thoroughly enjoyed by everyone. It is obvious that Country & Western Evenings are well appreciated by the club members and is another event that must be organised again next season.

March saw our second Horse Racing Evening with the proceeds from this event going to the Youth Team and we were pleased with the response from the Club. In fact when the accounts were finalised the Youth Team benefitted by a tidy sum as a result of our efforts. While on the subject of the Youth Team, the Supporters Committee are reasonably pleased with the sale of 'Touchlines', the new Welsh Rugby Newspaper which Committee Members have been selling in the Clubhouse over the past few months. The profits from the sale of this publication are being given to the Youth Team so on behalf of the Supporters Club may I extend a sincere thank you to all members who have supported our efforts in this direction and we look forward to equal success when the Newspaper reappears in September.

Over the last few seasons we have endeavoured to resurrect the Supporters Club Annual Dinner without success but this year, much to our delight, the event was held in April. Perhaps the success of the event was the fact that for the first time we had invited a guest speaker who was none other than our popular visitor Frank Hennessey. He really made the evening and it seems that the Dinner will once again take its rightful place as a regular event on our calendar.

For the very first time, we ran Two International Trips during the season. The first was the usual Bi-Annual Trip to Paris, once again, ably organised by Brian Bennett despite the efforts of the so called 'entertainments committee' elected en-route. The second trip, this time to Scotland, was organised for the Supporters Club by John Hamblyn and Andy Howells, it was well supported and again a good time was had by one and all. The success of the trip can be measured by the fact that it is already fully subscribed for 1989 and it is planned to use the Galashiels area as the base.

The coach arrangements for away matches were once again organised by Ken Jarrett and I am delighted to say that they were at least profitable if not fully booked. It can be said that the support we have been receiving from the members in this direction has improved over the last year and we hope that this continues next season.

Towards the end of the season the Cardiff Athletic Club kindly allocated the Supporters the use of a room in the 'old office block'. It will be used primarily for taking coach bookings and the sale of Touchlines and Tickets for our Social Events. It will of course be restricted to use after matches due to its location. There were so many home games at the end of the season this year that we were unable to make full use of the room for coach bookings during March and April but next year it should prove to be invaluable. The Supporters Club are extremely grateful to the Athletic Club for their kind assistance in this matter.

Looking back over the year I am pleased to report that we had a very successful one and that the Officers and Committee have achieved their main objectives in varying the Social programme and the successful reinstatement of the Annual Dinner into our Calendar. This has given us the encouragement to continue next September where we left off in April.

I wish finally to thank the respective Chairman, Secretary and Committee of both the Cardiff Athletic Club and the Cardiff Rugby Club for their assistance during the past year. Their support at our various social activities has been encouraging and is greatly appreciated by both the Officers and Committee members. A sincere thank you is extended to the Club Steward and his dear wife for their kind cooperation during the past year and not forgetting the ladies in the office and the club members as a whole. Thank you all.

We look forward, with everyones help, to another successful year in 1987-88.

KEN JONES

Chairman, Cardiff Rugby Supporters Club.
